SONIA R. CARTER and ANDRE D. RICH

Letter From The Editors

DEAR READERS:

The 1984-'85 school year was predicted to be a very different year from any other school year. HOUSE BILL 72 altered many existing situations. It banned pep assemblies, field trips, competitions held during school time, the "D", just to name a few.

The big question was through it all would the students be able to adapt to the "New Environment". However, we had no choice. The demands of HOUSE BILL 72 seemed to over circuit everyone. The work began to pile up on teachers and students. Parents had to reacquire responsibilities for their child in school. The 4:00 pm dismissal bell became the symbol of relief for everyone.

In this year's annual, we tried to capture the changes that overwhelmed the entire state not just the GOLDEN BEAR Family. However, putting this year's annual together was difficult. Of a staff of twenty students only four members were veterans. Most of our staff were involved in practically everything that happened at S.O.C. and the chaos which started in Austin and filtered down to the classrooms were evident in our production.

WE HOPE YOUR YEAR WAS A GOOD ONE.

Dynasty (dī' nəs tē) n: a family line of rulers; any family or group that retains prominence or power for a considerable length of time.

Den (den) n: a secluded place or retreat; a dwelling.

According to these definitions taken from *Webster Dictionary,* South Oak Cliff High School is the dwelling of a family line of rulers. A group which has retained prominence and power for thirty-three years. However, "The Dynasty of the Den" actually begun before the creator, itself.

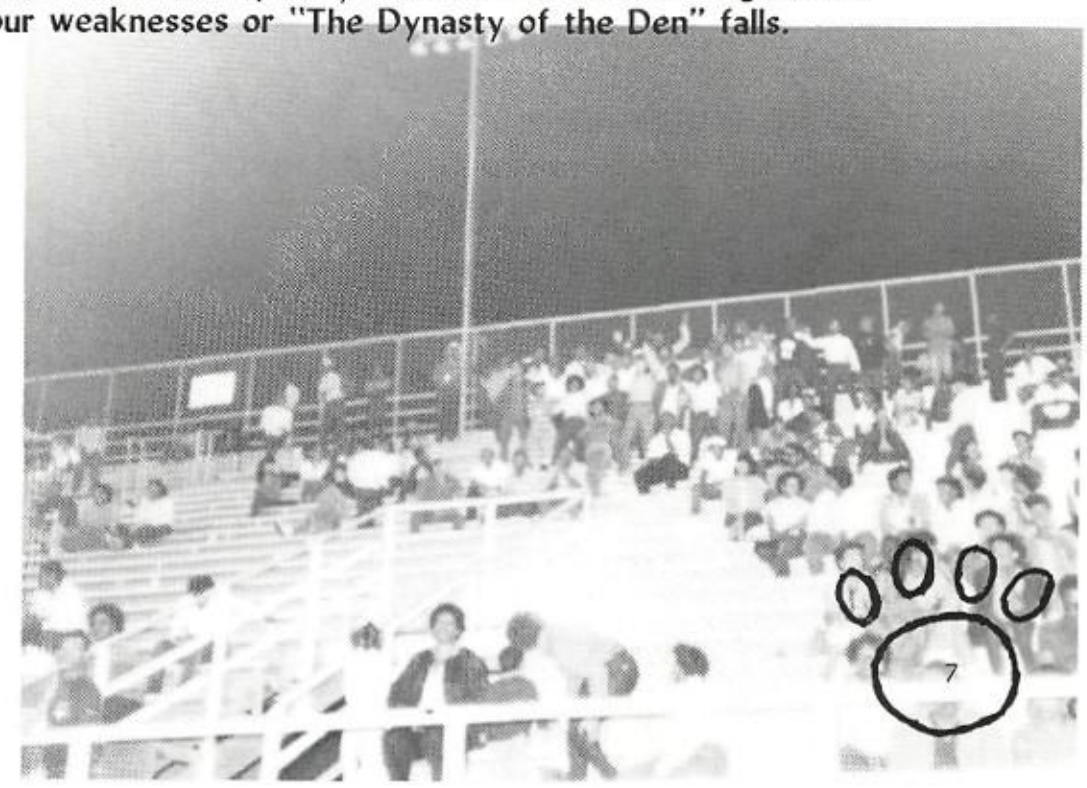
The dynasty begun not with the students, faculty, and staff of S.O.C., but within themselves. The Dynasty begun within their hearts with the hearts being the most important factor. Pride beated the halls of South Oak Cliff H.S. long before the present 2,343 student body and 135 faculty members entered the doors. It was the pride in the hearts of those before us that set the pace, created the legend, established the dynasty, and throned the ruling class. Nevertheless, the dynasty was not created by pride alone. There was a system.

It was the system which told those before us that they "probably *could be.*" The elders of the dynasty said, "they *would be.*" The system said, "I come that I might break you." The elders of the dynasty said, "You will make us tried and true, but you will never break us." The system challenged the elders. The elders conquered the system. They established the dynasty and left the legacy to us.

We are a dynasty among dynasties. Our city and state are dynasties filled with dynasties. Being great, grand, royal, and leaders come with our nativity. But like all dynasties, we are forever challenged. Like a phoenix, the system has arisen again to challenge "The Dynasty of the Den."

The system says, "Change horses in the middle of the stream." We can do that. The system says, "Climb every mountain." We can do that. The system demands that we ford every stream. We can do that. The systems expects us to become plebeians. We can not allow this to happen! The system has not changed, perhaps, regenerated itself with more power and demands. A dynasty can only become and remain a dynasty when it is challenged and it confronts and conquers those challenges. We can not permit the system to crumble in one day, one semester, or one year what has taken years to build.

Dynasty; a family; a group of people of much determination, willing to work with each other for the betterment of all. We must all be better and great to assure that our dynasty remain the best and the greatest. Individually we must strive, struggle, and conquer our weaknesses or "The Dynasty of the Den" falls.



Reflections Of Barbara Blair

For Barbara:

THE GATE OF THE YEAR
And I said to the man who stood at the gate of the year:
"Give me light, that I may tread safely into the unknown."
And he replied:
"Go out into the darkness and put your hand into the Hand of God.
That shall be to you better than light and safer than a known way."
So, I went forth, and finding the Hand of God, trod gladly into the night.
And he led me towards the hills and the breaking of the day in the lone East.
So, heart, be still:
What need our little life,
Our human life, to know,
If God hath comprehension?
In all the dizzy strife
Of things both high and low
God hideth His intention.

M. LOUISE HASKINS

For Us:
THERE IS NO DEATH

In one sense there is no death. The life of a soul on earth lasts beyond her departure. You will always feel that life touching yours, that voice speaking to you, that spirit looking out of other eyes, talking to you in the familiar things she touched, worked with, loved as familiar friends. She lives on in your life and in the lives of all others that knew her.

ANGELO PATRI

Reflections Of Michael Holloway, Jr.

On February 7, 1985, the family of South Oak Cliff High School suffered a great loss at the demise of Mr. Michael Holloway, Jr. He was a pleasant man to be around always having positive words to express regardless of the situation. He maintained a gentle smile which he gave freely. He was a lover of people.

Mr. Holloway was a native of Dallas. He attended Lincoln High School. He obtained his Bachelor of Arts Degree from Huston-Tillotson College, Austin, Texas and a Master's Degree from East Texas State University. He was a member of Warren United Methodist Church, the Amigos Club, Dallas Big Brothers, The Moorland Branch Y.M.C.A., The Cedar Crest Civic Club and Huston Tillotson College Alumni Association. He was the first Upward Bound Teacher at S.M.U. for minority people.

PEOPLE LIKED HIM

People liked him, not because
He was rich or known to fame;
He had never won applause
As a star in any game.
His was not a brilliant style,
His was not a forceful way,
But he had a gentle smile
And a kindly word to say.

Never arrogant or proud,
On he went with manner mild;
Never quarrelsome or loud,
Just as simple as a child;
Honest, patient, brave and true;
Thus he lived from day to day,
Doing what he found to do
In a cheerful sort of way.

Wasn't one to boast of gold
Or belittle it with sneers,
Didn't change from hot to cold,
Kept his friends throughout the years.
Sort of man you like to meet
Any time or any place.
There was always something sweet
And refreshing in his face.

Sort of man you'd like to be:
Balanced well and truly square;
Patient in adversity,
Generous when his skies were fair.
Never lied to friend or foe,
Never rash in word or deed,
Quick to come and slow to go
In a neighbor's time of need.

Never rose to wealth or fame,
Simply lived, and simply died,
But the passing of his name
Let a sorrow, far and wide.
Not for glory he'd attained,
Nor for what he had of pelf,
Were the friends that he had gained,
But for what he was himself.

Principal

DR. FREDERICK TODD

South Oak Cliff High School has undergone many changes in the past nine years. *"Striving for Educational Excellence"* has been emphasized as the number one priority of the school. Educational excellence has always been of the utmost importance to Dr. Frederick Douglas Todd, Sr., principal of South Oak Cliff.

Dr. Todd's parents, Clifton and Adelaide Todd, stressed the importance of education as a tool to overcome the inequities of a social and political system that attempted to discriminate against minorities. Dr. Todd attended the Dallas public schools and graduated from Lincoln High School in 1948.

Upon completing high school, Dr. Todd enrolled at Prairie View A&M University where he completed the requirements for a Science degree in 1952. While at Prairie View, Dr. Todd served as Junior Class President and Senior Class President. He was also a Lieutenant Colonel in the Army Reserve Officers Training Corps.

After his college graduation, Dr. Todd entered the United States Army where he achieved the rank of First Lieutenant. In December of 1952, Dr. Todd married his college sweetheart, Earle Berneice Nathan. To this union, three children were born.

Dr. Todd received his Master of Science degree from Prairie View A&M University in 1958. In 1961, he began another phase of his career as a principal.

Dr. Todd assumed the leadership duties of M. B. Lamar Elementary, William B. Miller Elementary, Elisha M. Pease Elementary, Roger Q. Mills Elementary, and Sarah Zumwalt Junior High.

In 1970, Dr. Todd was appointed principal of his alma mater, Lincoln High School. The years Dr. Todd spent at Lincoln were ones of self-fulfillment in that he left Lincoln as a high school graduate and he returned as Lincoln's principal.

Due to his strong commitment for quality education, Dr. Todd became principal of South Oak Cliff High School in 1975. During his nine years at South Oak Cliff, he has encouraged the faculty and students to achieve the optimum level of educational excellence possible. In 1979, Dr. Todd received his Doctrate degree in Education-Administrative Leadership from North Texas State University.

Dr. Todd is currently a member of the Board of Directors for Pro-Line Corporation and the North Texas State University Administrators and Supervisors Council. He is a former Board of Directors member of the Boy Scouts of America and the Girl Scouts of America.

By A.H. Lee in collaboration with C.L. Todd.

Brenda A. Battle Was Voted South Oak Cliff High School's Teacher Of The Year.

"As teachers we have the responsibility of exposing to our wards the educational that will assist in building and creating future generations of knowledgeable contributors to our society."

Brenda Ann Battle was born February 4. 1950, in Dallas, Texas. Throughout her formative years, her parents always stressed three basic elements: respecting others, accepting responsibility in all endeavors, and striving for higher education. These ideals were formost in creating within her acute awareness of the needs of others, being conscientious, and pursuing knowledge.

Being exposed to the leadership abilities of teachers in parochial and public educational setting, she eventually chose to attend Southern University in Baton Rouge, Louisiana. She had a desire to enter the field of Business. It was not until her college years that she finally decided that teaching was for her. Being caught up in the momentous era of her college years, she observed that the leadership came, not from the protesters or fighters in the streets, but from th academicians who stimulated and created constructiv thought and blueprints for the future through working wit and within the system by teaching.

Mrs. Battle states, "Education cannot and will not surviv on its own. The teacher must be assisted by parents, commu nity, and church in creating the students' awareness, know edge, appreciation, and understanding of the wide range areas within our existing pliralistic society. Education mu create an awareness of all students their need to contribut to society. That is, if our society is to continue to be productive and competitive entity in our world."

1984-85 Lady Bears In Action

The Dynasty of the Lady Bears

The Lady Bears have made Regional and State Playoffs for the last ten years and have won the State Title 4 times out of the 10 years.

The Lady Bears continued to carry on the tradition by upholding the State Championship.

The 1984-85 Lady Bears had a devastating season even though a lot of hard work was laid out, and tremendous dedication was needed to become the State Champions.

South Oak Cliff The Year "85"

South Oak Cliff boys started off with a tremendous season. It was said that S.O.C. boys were the most talented and well balanced team in the state. S.O.C. was well coached under the divine coaching of Jimmy Gales. S.O.C. went undefeated during district season, but couldn't seem to hold on to that winning desire. S.O.C. played strongly the first half, then began to slack up the second half, slacking up to much and losting the game which kicked out their chances of winning state.

S.O.C. - SOUTH GARLAND

The Golden Bears, after finishing the district without a loss, were set to play their first playoff game of the year. The Bears expected to run away with this game after beating South Garland earlier in the season by 24 points. However, the Colonels had the same idea of running away with the game. They began the scoring by jumping out to a quick 4-0 lead over the Bears. The Bears responded by scoring 8 unanswered points. From that point it was a see-saw battle throughout the game. There was a lot of action and excitement to keep the fans on the edge of their seats. When it came to the last three minutes of the game the Golden Bears prevailed as they pulled out a 62-58 victory over the Colonels of South Garland.

S.O.C. - LAKE HIGHLAND

S.O.C. vs. Lake Highland was the second game of the playoff. The Bears had confident that they would go to State. Without a doubt in their mind, they were expecting a blowout. But, Lake Highland stayed with the Bears until the third quarter by back-picking and shooting from the outside. However, it proved not enough to beat the Bears. The Golden Bear team got into the flow of the game by pressing full court and captalizing on offense as the Bears ran away from Lake Highland 87-53.

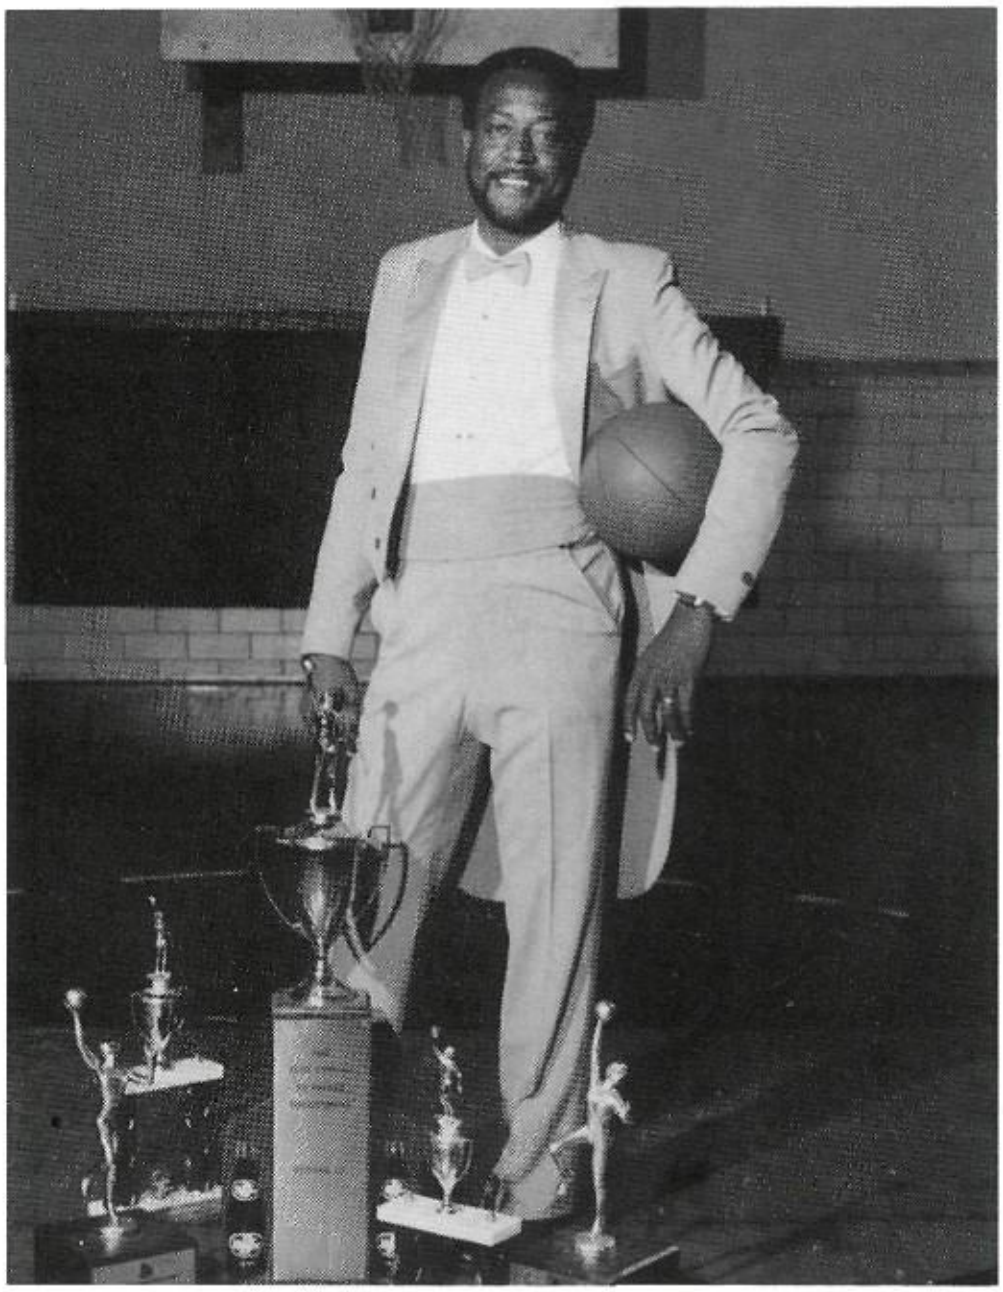
S.O.C. - CONROE

The South Oak Cliff mighty varsity team, who finished the end of district play with an undefeated district record and a 31-1 over all season record, went into the semi-finals of regional play against Conroe.

The game was set at a run and gun pace from start to finish. Conroe took a quick 8-2 lead as they capitalized on their 4 out of 5 shots. The Golden Bears were running with them, but were not capitalizing. S.O.C.'s coached quickly called a time out to settled the players down. The coach, Jimmy Gales, told them to play ball. "Don't worry about them scoring because if we take care of our part it all will fall into place." The Bears came out putting the game together, and playing the kind of basketball that they had been playing all year. It was a close, tight game throughout the first half.

As the second half began the Bears came back with a winning intensity. They ended the third quarter with a twelve point lead. When the fourth quarter came around, the Bears suffered an attack of dizziness. They seem to have forgotten the fundamentals of basketball. They could not rebound as Conroe crept back into the game. Conroe edged the Bears by two points ending the Bears' season with a 81-79 lost and a 33-2 season record.

Coach Jimmy Gales



Coach Jimmy Gales first began coaching at South Oak Cliff in 1970. Coach Gales also advanced to the regional finals in 1972-73. In 1974, the Bears lost to Houston Kashmere in the state finals, with a score of 91-87. S.O.C. reached the regional finals once again in 1975. Coach Gales left South Oak Cliff, and went to North Texas State, where he was hired as assistant coach, with head coach Bill Blakely. Coach Blakely and Coach Gales were known for the schools best coaches. Even to the loss of Coach Blakely, Gales retain the title of Head Coach.

Coach Gales then decided that it was time for a change. Gales then was asked to return back to S.O.C. After which Coach Jimmy Gales was able to rebuild the wonderful talent of South Oak Cliff team, and name one of the best teams in Texas.

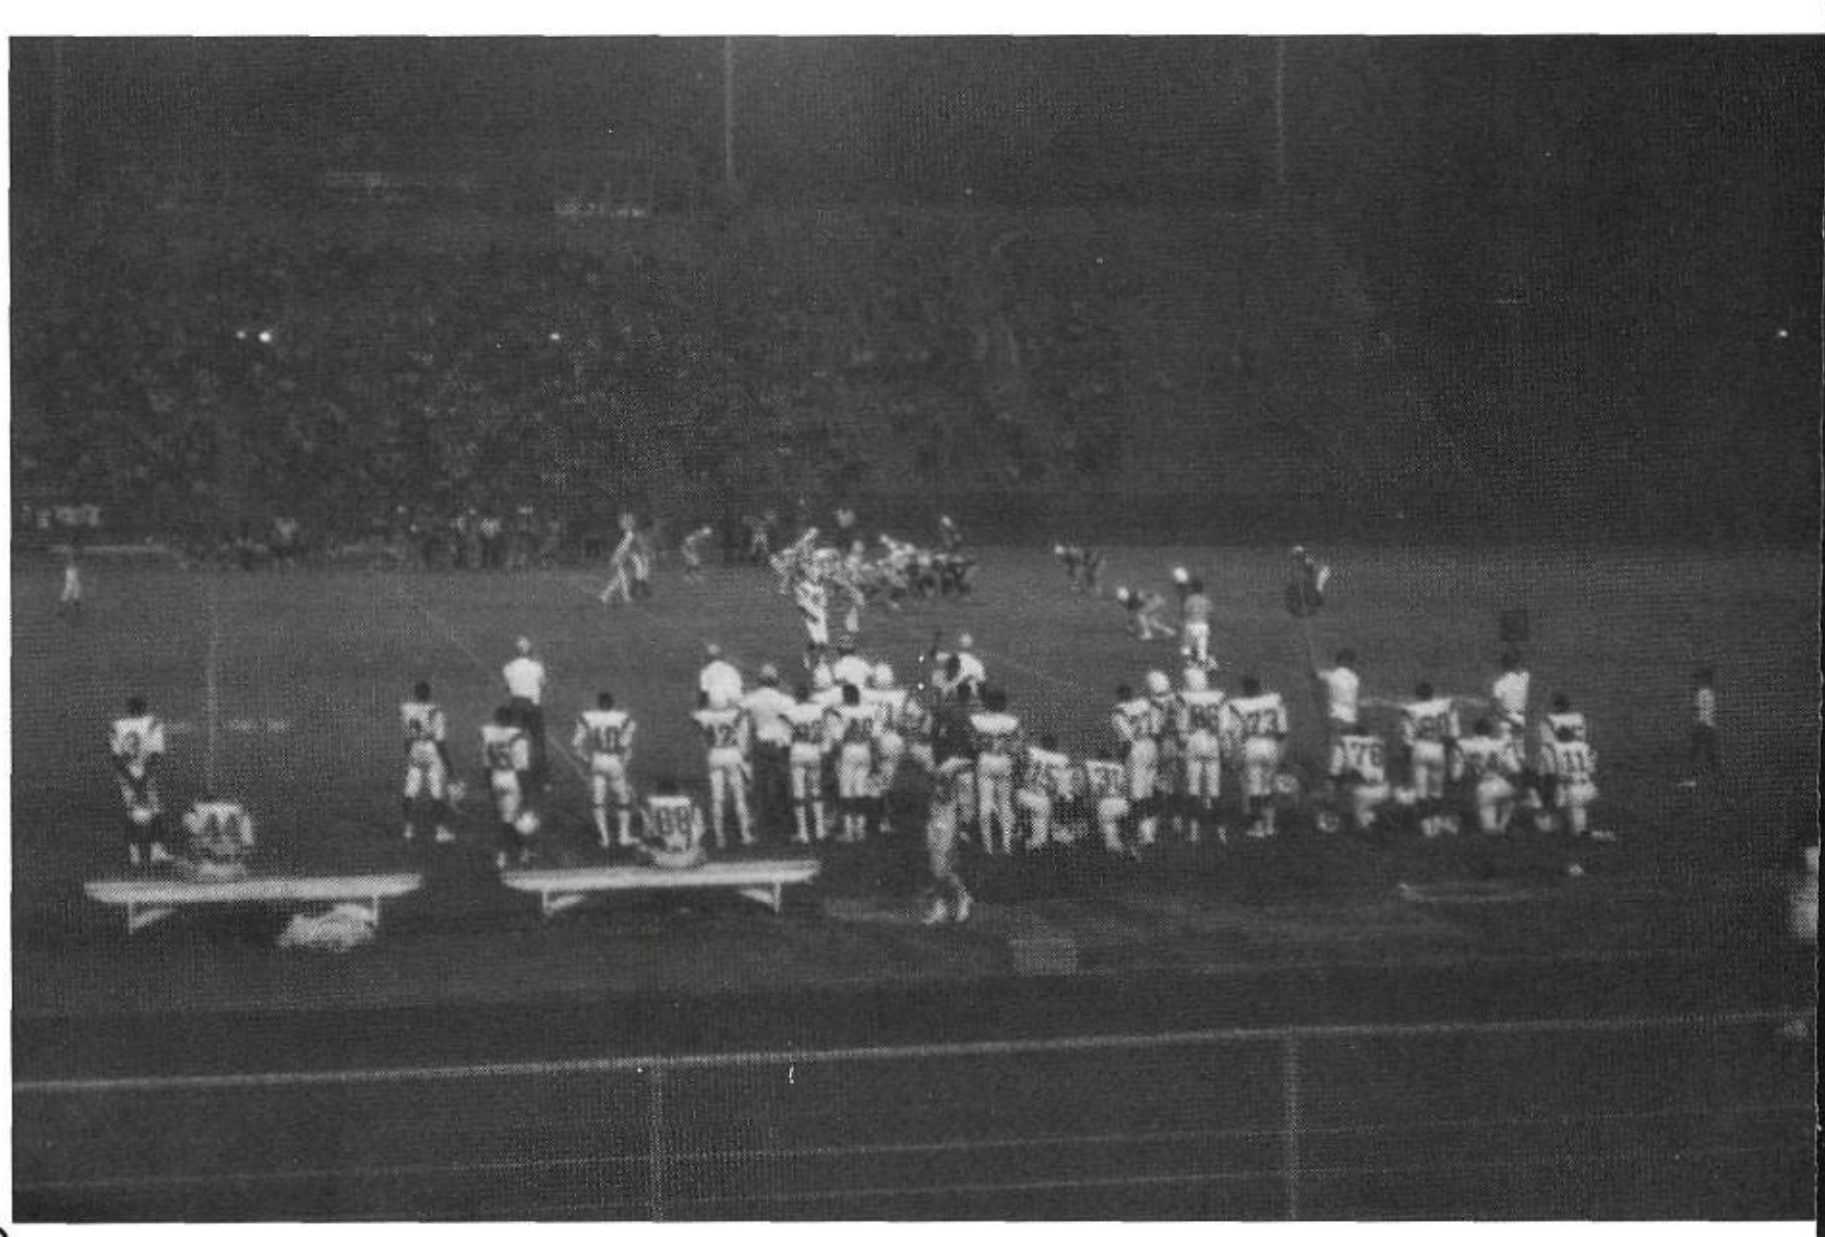
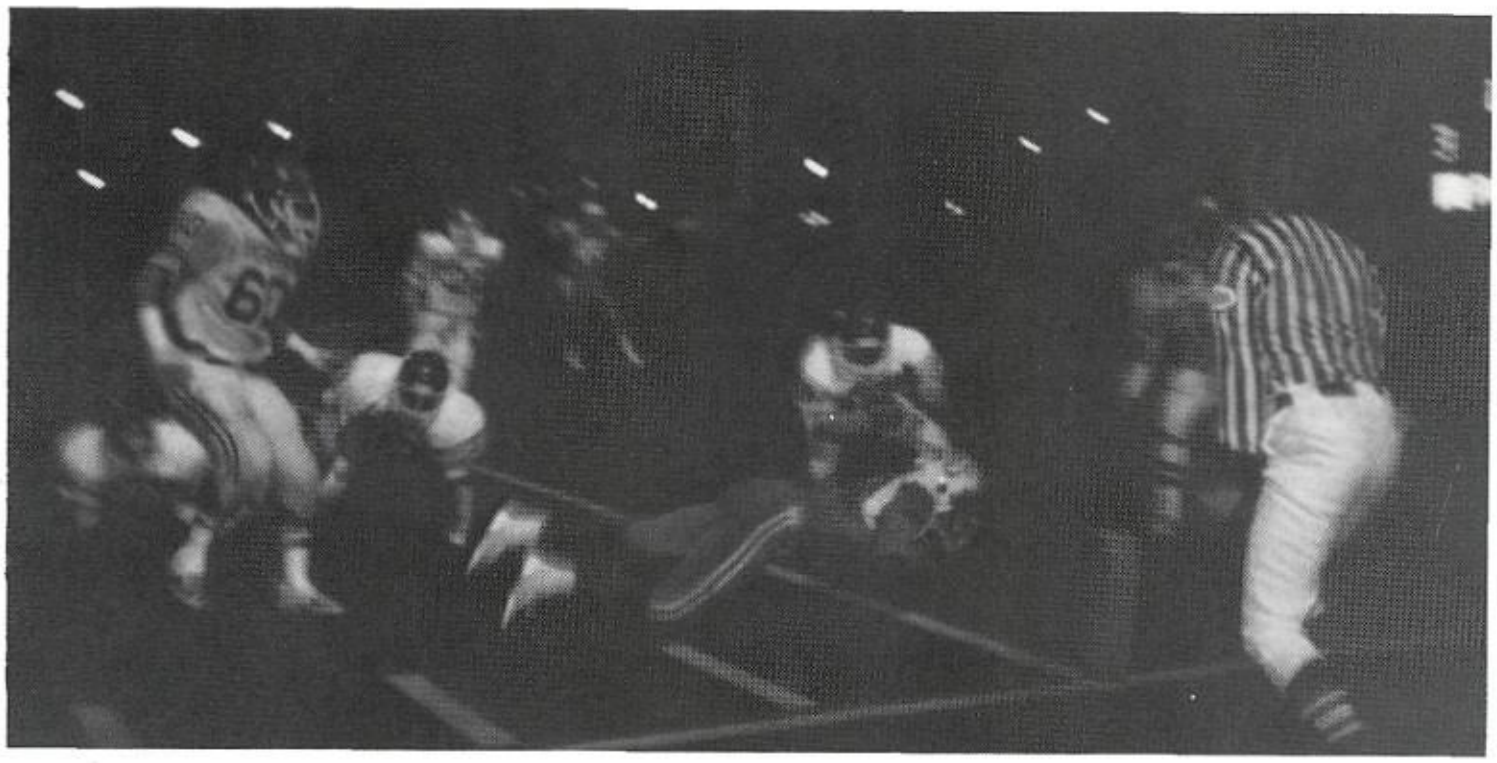
"A Season Of Rebuilding"

S.O.C. Golden Bears knocked out the Dunbar Wildcats with the score of 17-6 while they let the Wilmer Hutchins Eagles fly by with 10-6.

S.O.C.'s game against Dunbar opened with a bang. The first touchdown of the game was called back, because of a clipping penalty. The Bears rallied for a second attempt, which resulted into a touchdown by #12 Nathaniel Gatt. The first half left the fans in suspense. In the second half of the game, the Bears came back very strong with a 45 yard punt return by #88 Ivan Atkins. A 40 yard run was made by #33 Lester "Thunder Thighs" Dixon. The fans were in a roar, because Mr. Dixon scored a touchdown. That gave S.O.C. a 14-6 advantage. With a 50 yard punt return by Nathaniel Gatt. Stanley Stevens set up a 20 yard field goal which increased S.O.C.'s lead by 17-6. Anthony Stevenson #84, made a great fumble recovery. Key tacklers for the game were John Godffrey #77, Charles Bowmana #75, and Curtis Owens #62. Because of them and excellent team spirit the season seemed to start off on the right foot. The S.O.C. Bears mean, tough, offense and defense brought home a 17 to 6 victory.

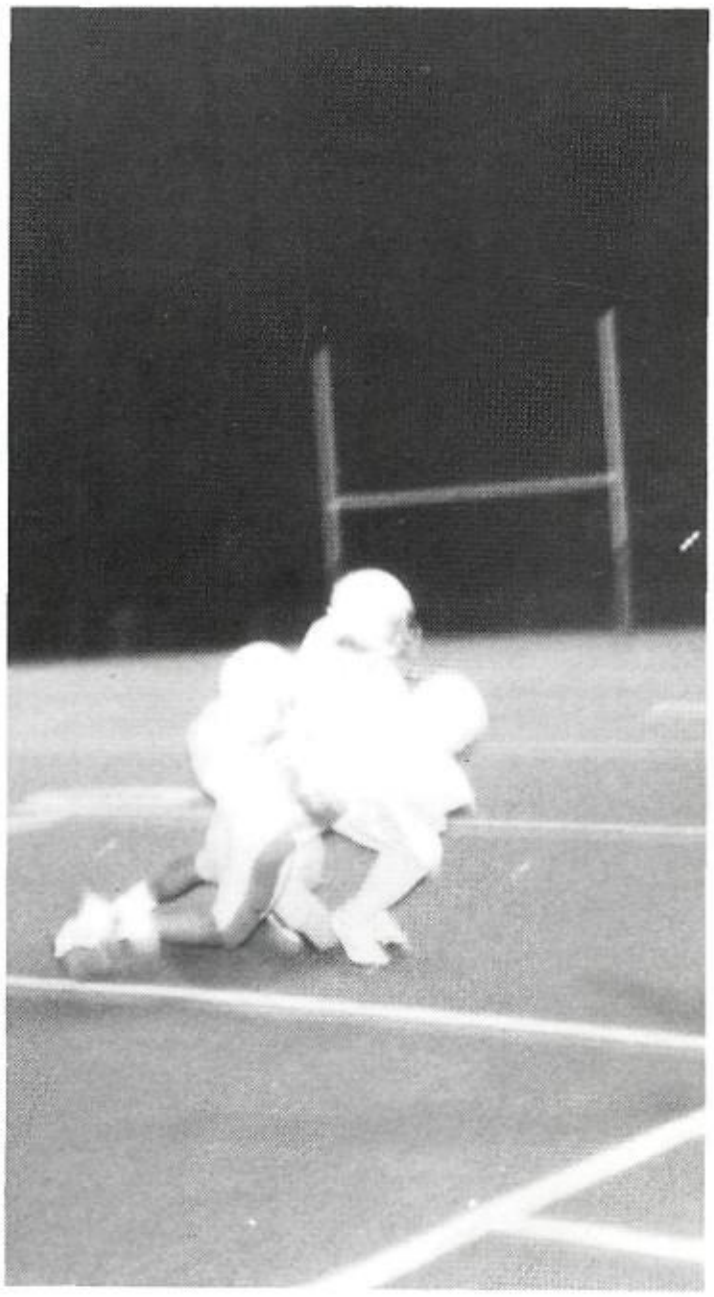


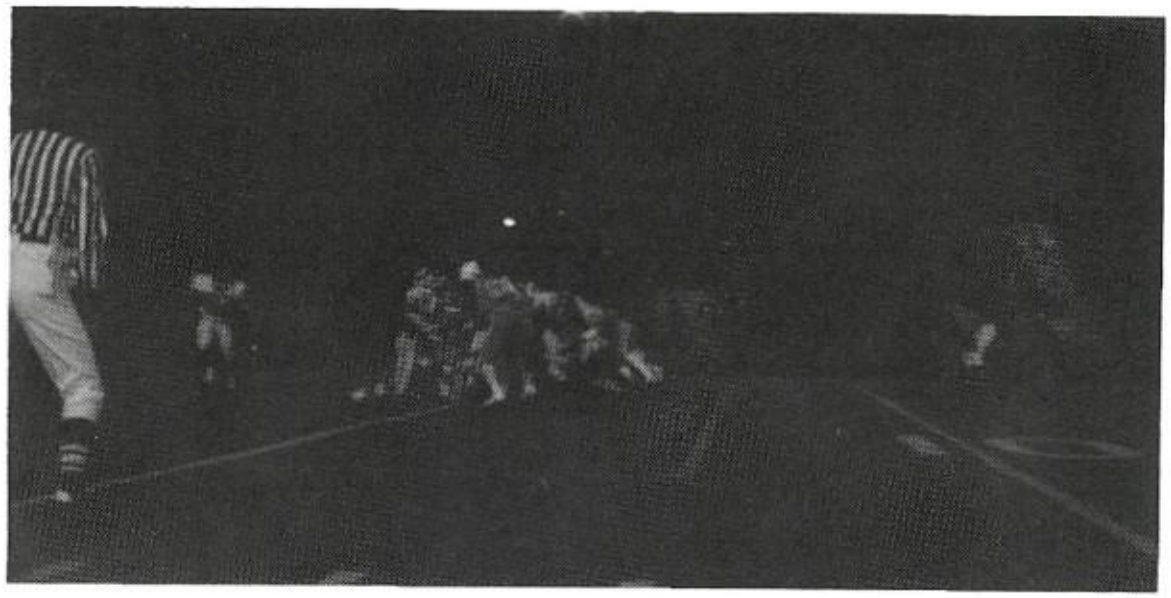


S.O.C. Bears let the John Tyler Lions rule the jungle by a score of 43-14. Sherman went home with a disappointing score of 9-6.

As the game started John Tyler struct first with a 86 yard touch down pass. Not to be out done, S.O.C. scored with a 1 yard plung from Lester Dixon. The Lions marched down the field once more for a score. The score was 14-7 in the second quarter. With only a few minutes left before halftime, Terry Sampson broke in with a 32 yard run. As if a sign of downfall for S.O.C. it began to rain. Because of the rain, during second half, it seemed like we were losing the game. The fumbles S.O.C. made helped the Lions to go on to a 43-14 victory. Later, one of the players stated, "Though we had the game and lighten up, the next game will be different."

When the time came for the Bears to play Sherman they were fired up with intensity to slay their victims. The first quarter started off slowly with a 3 point convertion from the Bears. In the second quarter the Bearcats made their first touchdown which left the score 6-3. As the second half came upon the Bears, they were steaming hot. Fred Gulley #7 scored a touchdown from a 20 yard run. The defense also made excellent plays to keep the Bearcats in place. The Golden Bears made another victory come true with a socre of 9-6.

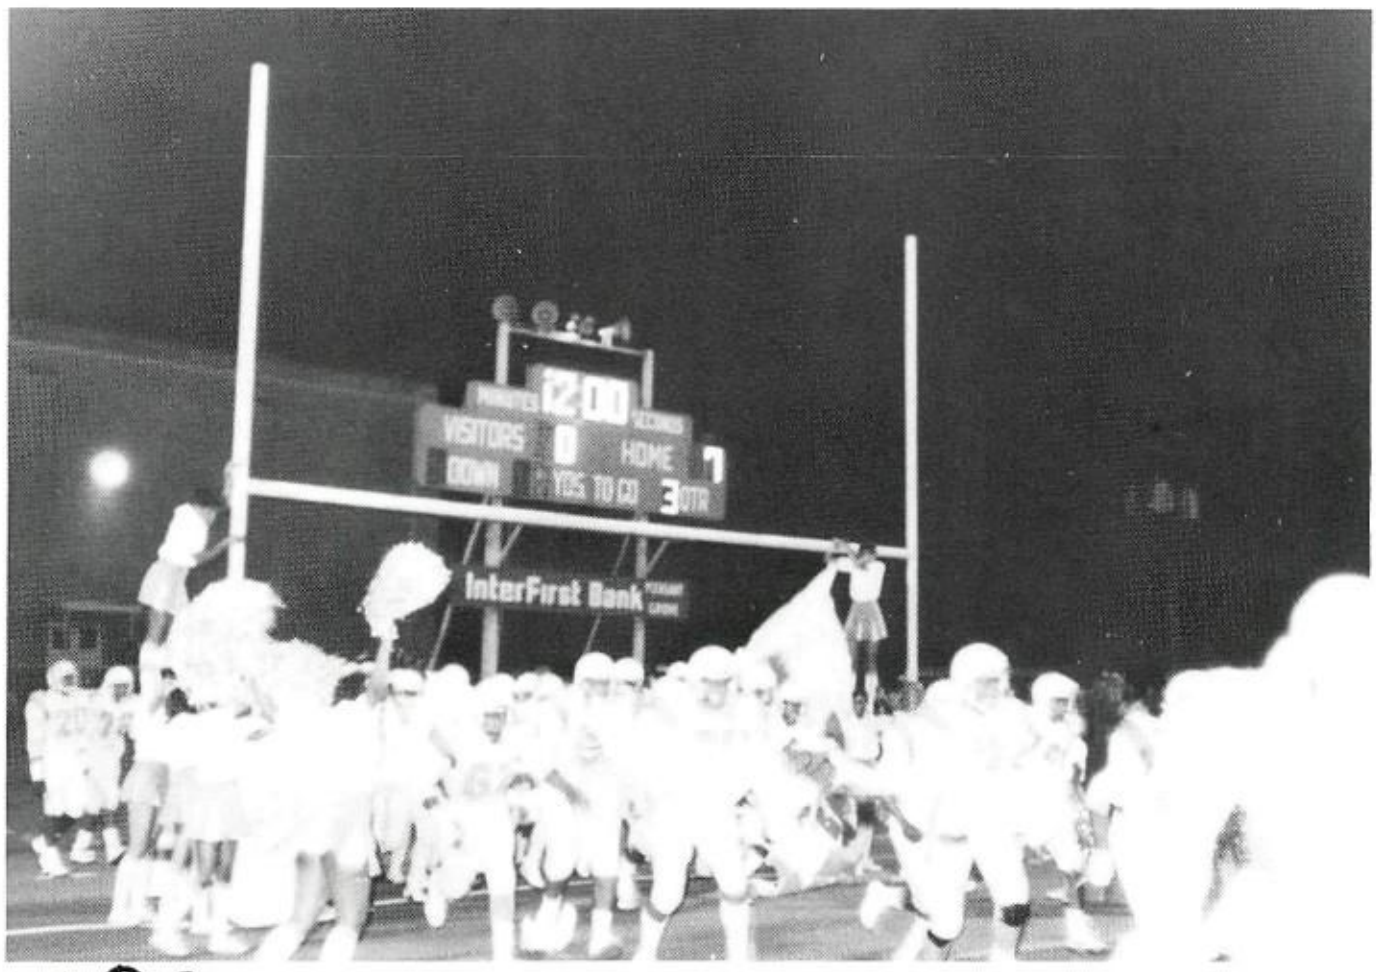




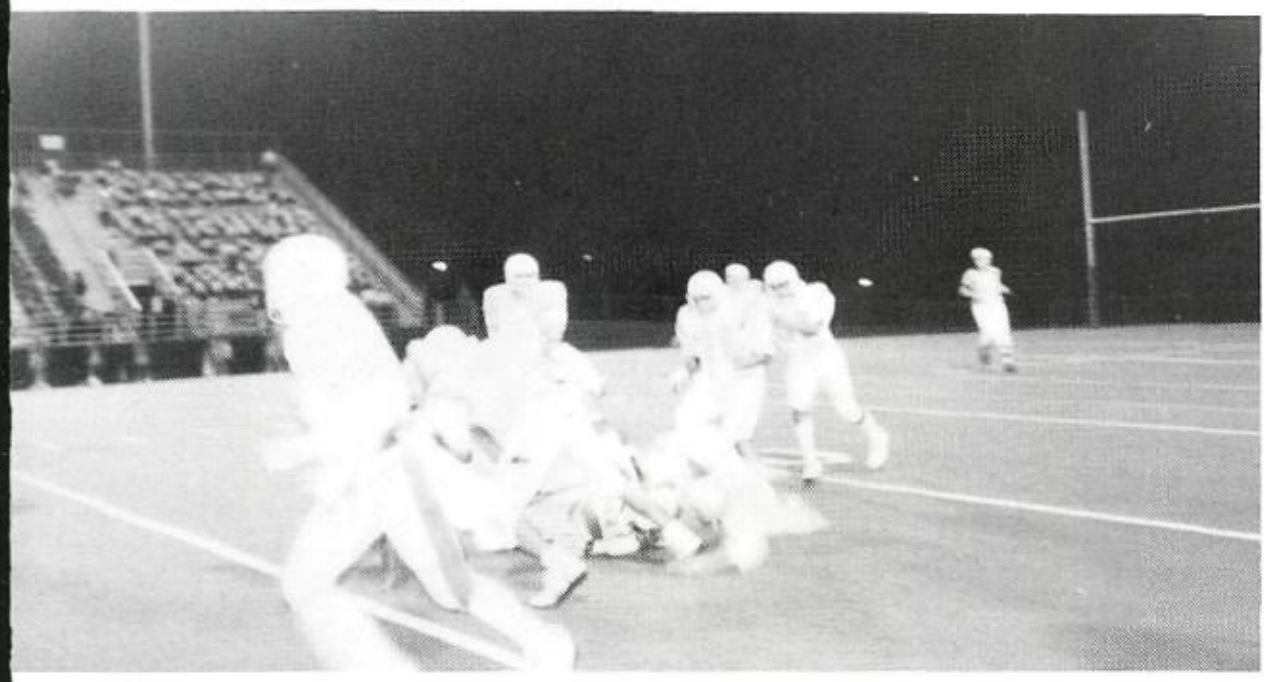
The Pinkston Vikings hunted down the South Oak Cliff Bears by a score of 13-7, and the Skyline Raiders clipped them 13-0.

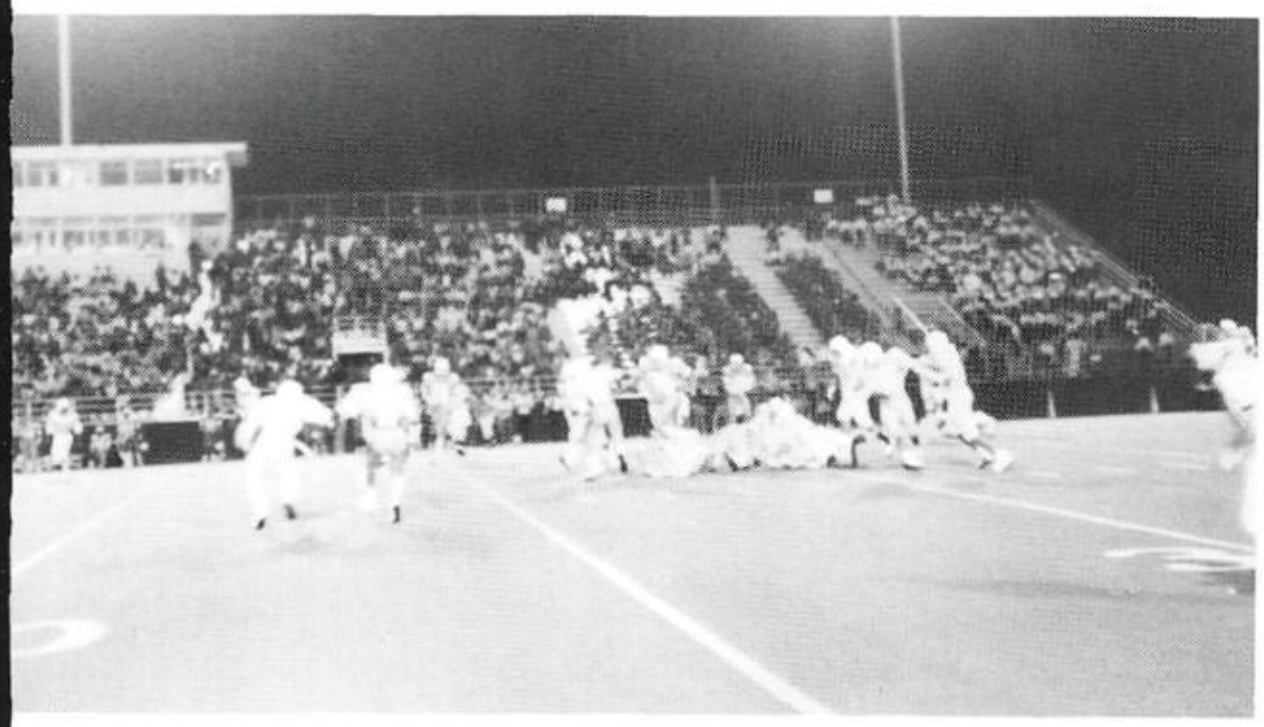
The Golden Bears great ability to come back again for another victory was lost against the Pinkston Vikings. The Bears started off as an untamed animal. Pinkston could not hold the Bears in the first half as they compiled a total of 124 yards offense. They were only able to score one touchdown which was made by Charles Carter #44. The Pinkston Vikings defense was very hot and their offense was even hotter as they marched high to make two scores against the Bears in the second half; which the Bears could not recover. The final score was Pinkston Vikings 13 to S.O.C. Bears 7. It was apparent the lost affected the team.

As the Golden Bears were out to raid the Raiders for a hungry district victory, the Raiders contradicted their notion. In the first quarter neither team had a craving for the game. By the second quarter the Raiders were hounding for a score. They caught S.O.C.'s secondary in hibernation. In the second half the Bears decided they would come out of hibernation. A strong hit by Rodney Rodgers #10 fired the rest of the team up. All of the excitement soon died as the secondary was once again caught standing flat footed. They were burned for a T.D. which was to be the last score of the game.



S.O.C. let the Samuel Spartans scare them into a loss by a score of 21-14. However, S.O.C. burned the Spruce Apaches at the stake with a score of 19-0.





On October 19, 1984, Samuel Spartans squared away against the Golden Bears. Samuel scored first on the board with a screen pass. Again, the Bears refused to be out done; the game went on and got dynamic. S.O.C. and Samuel went on to score once more to make the score 13-6. At half time the score remaind 13-6, as S.O.C. and Samuel hit the field again. Samuel scored first during the second half, and S.O.C. still couldn't take the pain. Although, we came back to try and sober things up. We came back with a tremendous run by Lester "Thunder-thighs" Dixon, and a two point play by the Golden Bears. Even though S.O.C. didn't come out successfully on top, they played a heck of a game.

On October 27, 1984, the Bears triple demolished the Spruce Apaches by the score of 19-0. To prove their spirits were still high, S.O.C. came out with winning on their minds. The Golden Bears set the game off with 6 point from a punt return by Ivan Atkins. S.O.C. felt like six points just wasn't enough, so they went on to knock heads. Even though the Apaches never scored, S.O.C. went on to enlighten the game by another T.D. and a field goal with it. This made the game score 13-0. As we can see, the Apaches eventually weren't ready for the Bears. S.O.C. taking that in consideration, went on to score again; this time with a jump dive T.D. by the Golden Bears quarterback Fredrick Gulley. This ended the game with a score of 19-0.

S.O.C. Bears hunted down the Bryan Adams Cougars 14-0, but soon faced the end of an era 15-7.

As the cold winter wind engulfed the stadium, the Bears were hot and eager for a victory. From the start of the game until the last tick of the clock, the Bears controlled the game with its awesome defense. In the first quarter, the Golden Bears marched down the field and invaded the end zone with a 12 yard run by Terry Sampson.

The Golden Bears defense scored its first points of the season. The Bears Wedge Busters (defensive line) converged on B.A.'s quarterback. As he attempted to pass the ball he was wiped out by a solid hit from the Bears. B.A.'s quarterback fumbled the ball in the air where it was recovered for a touchdown by Patrick Parker.

The rest of the game was a fabulous display of the suicide crew and Wedge Busters. (Bears defense).

The Golden Bears' Homecoming Game started off in a traditional way. For they had not lost a homecoming game since 1980. The mighty Bears jumped on the Mustangs from the kick-off. The Bears marched down the field, and capped a scoring drive with a two yard plung from Lester Dixon #33. The Bears rode the Mustangs up until the second quarter. With S.O.C.'s suicidal defense, they were able to keep the Mustangs tamed until half time. S.O.C. lost a player #20 Chris Ellison due to dirty defense. Nevertheless, the Bears were still able to return to the game blazing. After displaying an exciting exhibition of plays on the field, the strong hearted Bears could still walk off with pride, realizing that their long-lasting season had all been said and done.

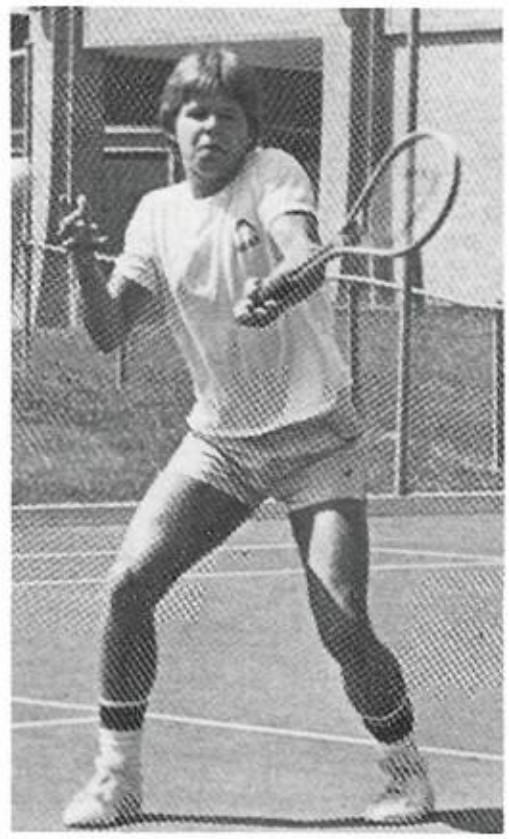
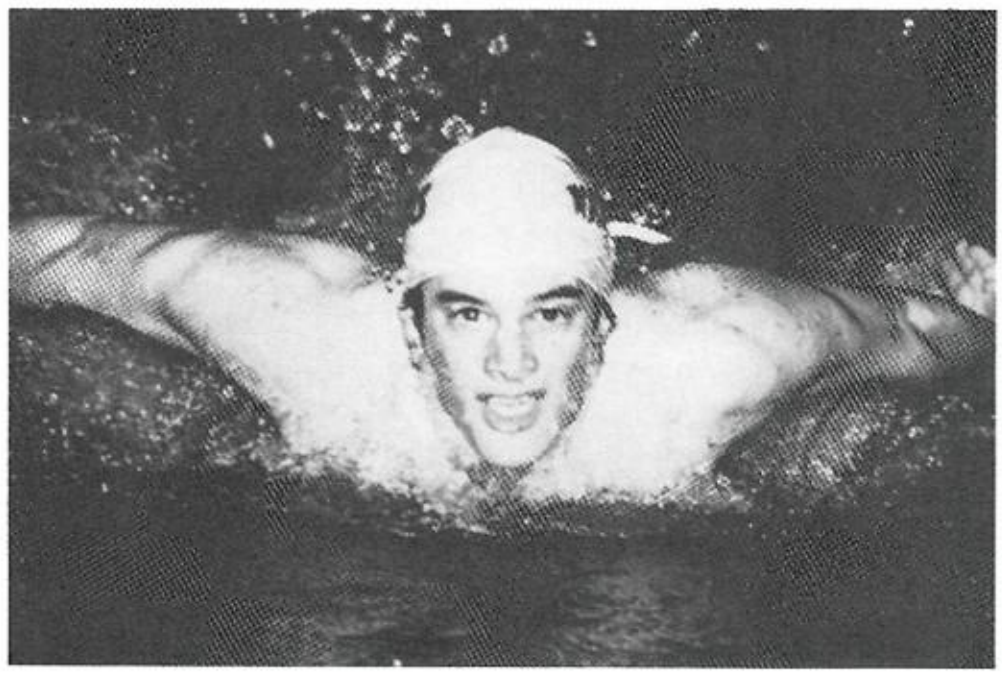
The Junior Varsity Basketball Team season was spectacular. But they did not accomplish the goal they had set for themselves. Although they did win their district they ended it with a loss. Where there goals was to go undefeated.



The Sports that are often overlooked, but never forgotten are; Soccer, Swimming, and Tennis. Although South Oak Cliff does well in these sports, they did not get the publicity as the major sports.



WRESTLING Wt. Class 167 - Ermus Shorter, Second Place, Regional Tourn. State Quarter- Finalist, Wt. Class 185 - Dickye Thomas, First Place, Regional Tourn. April 19	Roosevelt

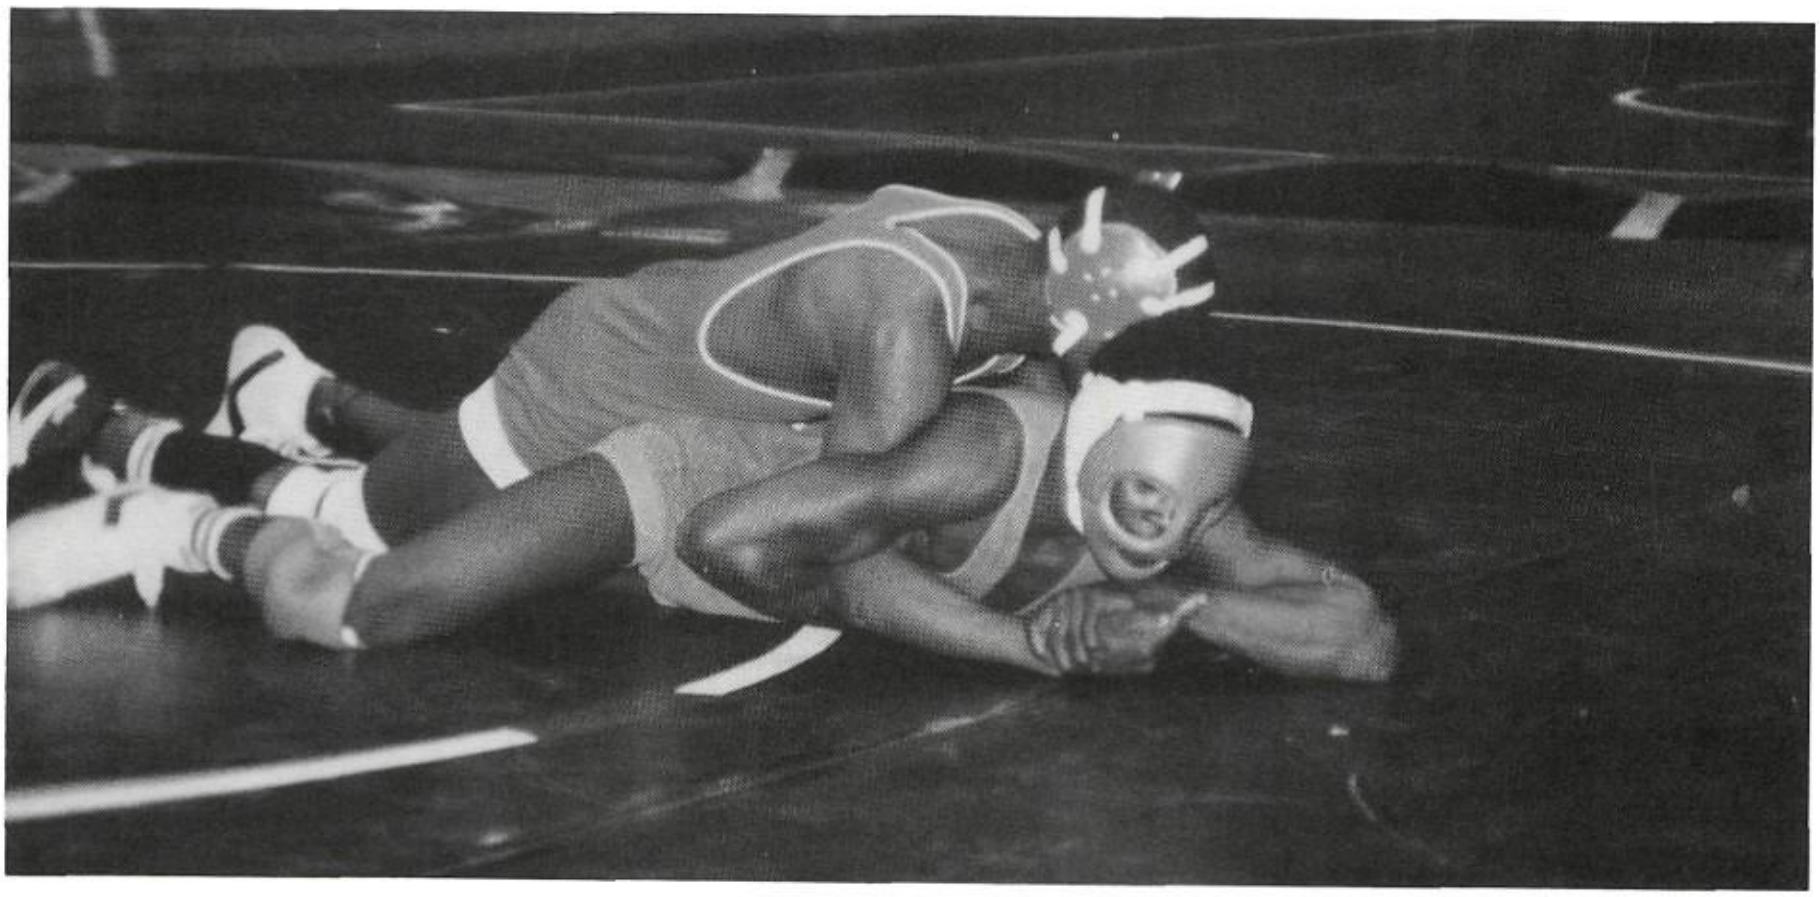
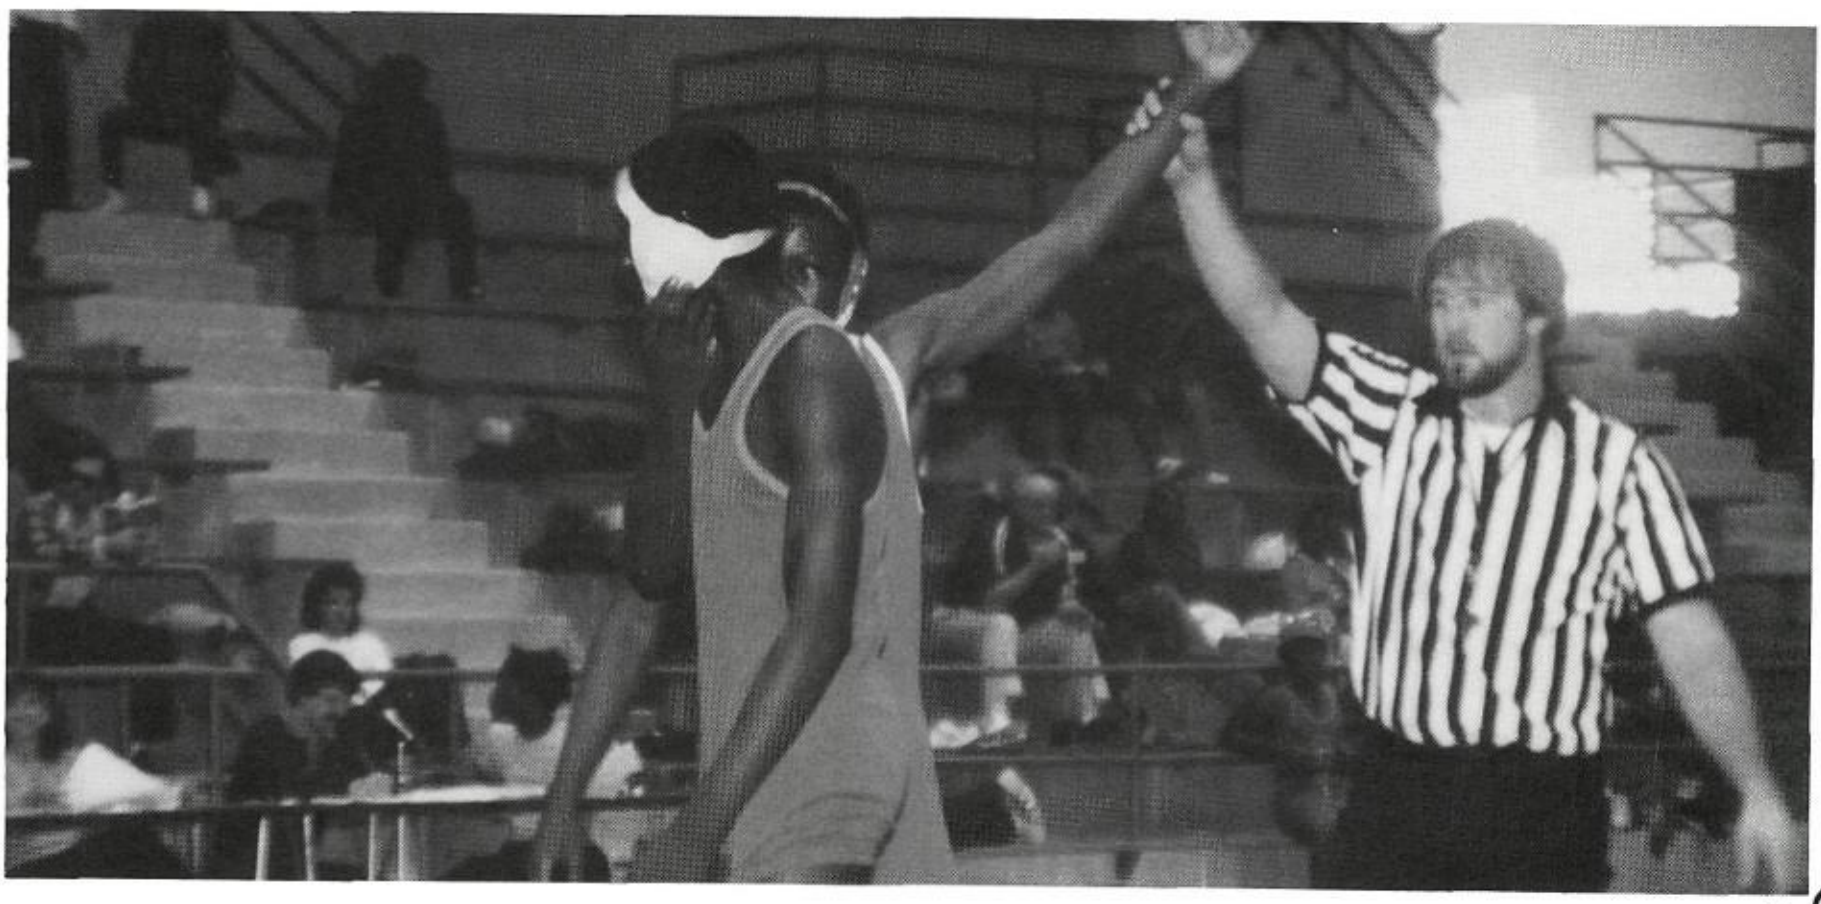
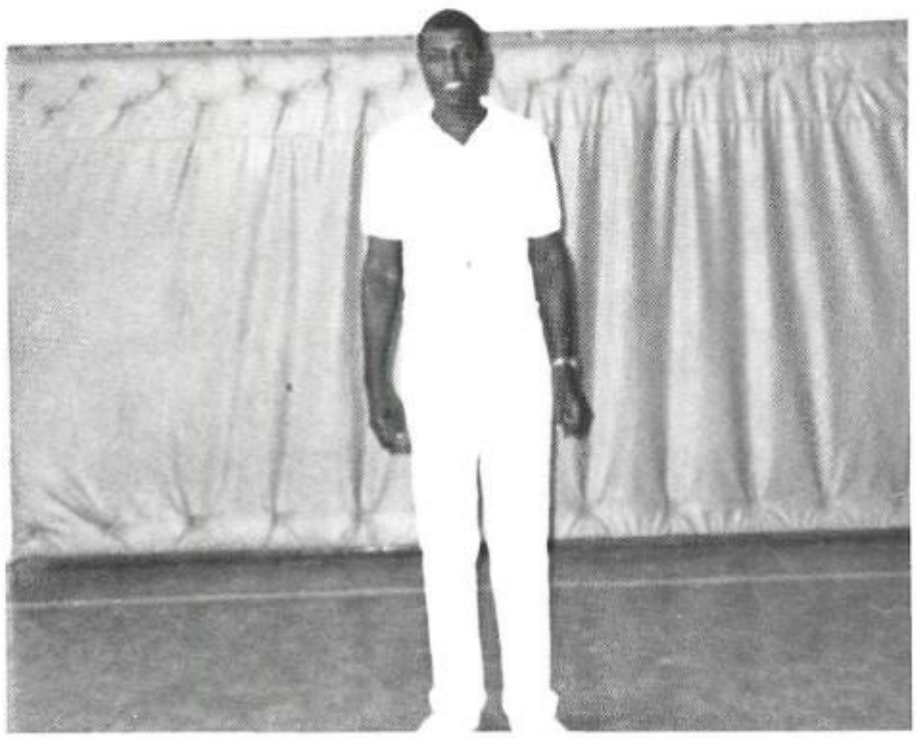
The 1984-85 Wrestling Team



The Varsity Wrestling Team had a successful year. The Wrestling Team has made going to state a Tradition. The Wrestling Team seems to always give one- hundred percent every year that turn out to be a success.



Two New Coaches Were Added To The Golden Bears Family.



Coach Hill accepted the offer of being the South Oak Cliff's freshman basketball coach. When he made this decision it was mainly because he coached at Boude Storey Middle School and most of the kids went to South Oak Cliff after leaving Boude Storey. Coach Hill feels that it may have been one of the best moves he made this far.

Coach Blackwell applied for the coaching job at South Oak Cliff because he had been working in mixed schools and decided that he would like to tey working in a predominately black school. In his own word, he said "I enjoyed working at South Oak Cliff this year and I don't regret working that decision."

In Loving Memory Of Evelyn Chandler

A View of Death

Death is but a sure thing whether or not it comes expected or unexpected. We all face the unknown. As the confused man would say. "Life is uncertain but a sure thing." Death is freedom; death is lightning. It comes like a thief in the night. Out of every human beings sight, but when God gets ready to call for you. You don't have a choice you must go.

—Ms. Darla Crittendon
English III Honors
Mrs. S. Tyler

EVELYN CHANDLER, 67, a lifelong Dallas resident and schoolteacher, died Sunday. She worked for North American Aviation before joining the Dallas school district and had been study hall teacher at South Oak Cliff High School for the last several years. She was a deacon at New Zion Baptist Church. Survivors include husband, Adam Chandler of Dallas;

Our Time Must Come

Carvin Morgan

There comes a time
When we all must pass away
When we will all join together
as one;
There's a home waiting
Oh, and it's on the other side
Where life will last
forever more;

Now, we can't go on doing the
same things old things
Thinking sometime,
somewhere
we'll soon make a change;
The time has come for us to
get our lives just right
For we may not see
tomorrow's light;

We are the sheep。
God is our shepherd;
He watches over us everyday
and every night;
There's a choice we're making
in this crude world today
We all must seek our Lord
and then be saved

When you're down out there
seems no hope at all
But if we call on Jesus
there's no way we can fall;
Oh, if we can just realize
That the end will soon come
Then we will stand together
as one.

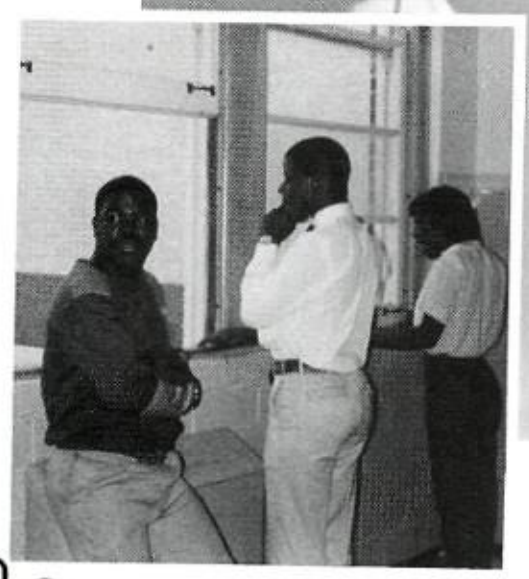
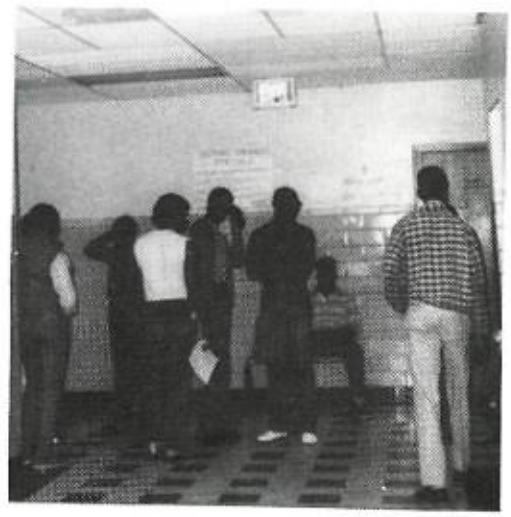
Student Life

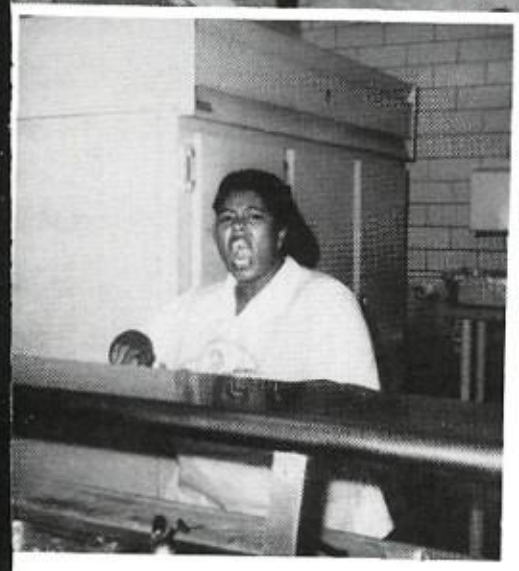
When South Oak Cliff High School students returned back to school from their summer vacation they had many changes to confront. Not only did students have to get back into the routine of getting up every morning and attending classes from 8:30 a.m. to 4 o'clock p.m., they also had to accept the fact that D's were gone from the grading system, and that the traditional pep assembly and all others assemblies during school were eliminated.

Dr. Todd had instituted the despised "Bear Round Up", and In-House Suspension. Above everything else came House Bill #72. In spite of all the changes it brought to S.O.C. (let alone D.I.S.D.) the Golden Bears of South Oak Cliff managed to keep student life alive and well!

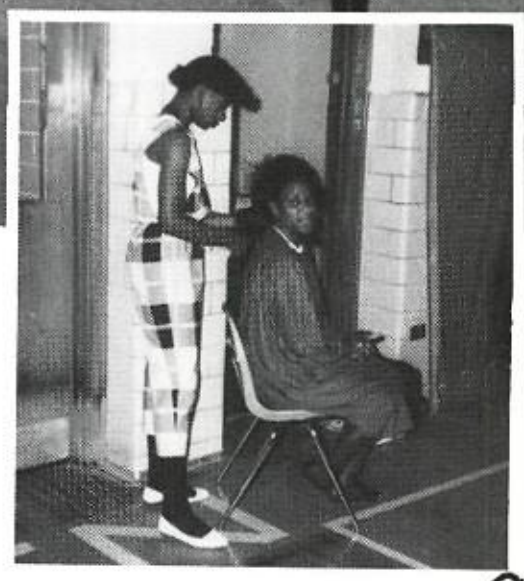


Student Life

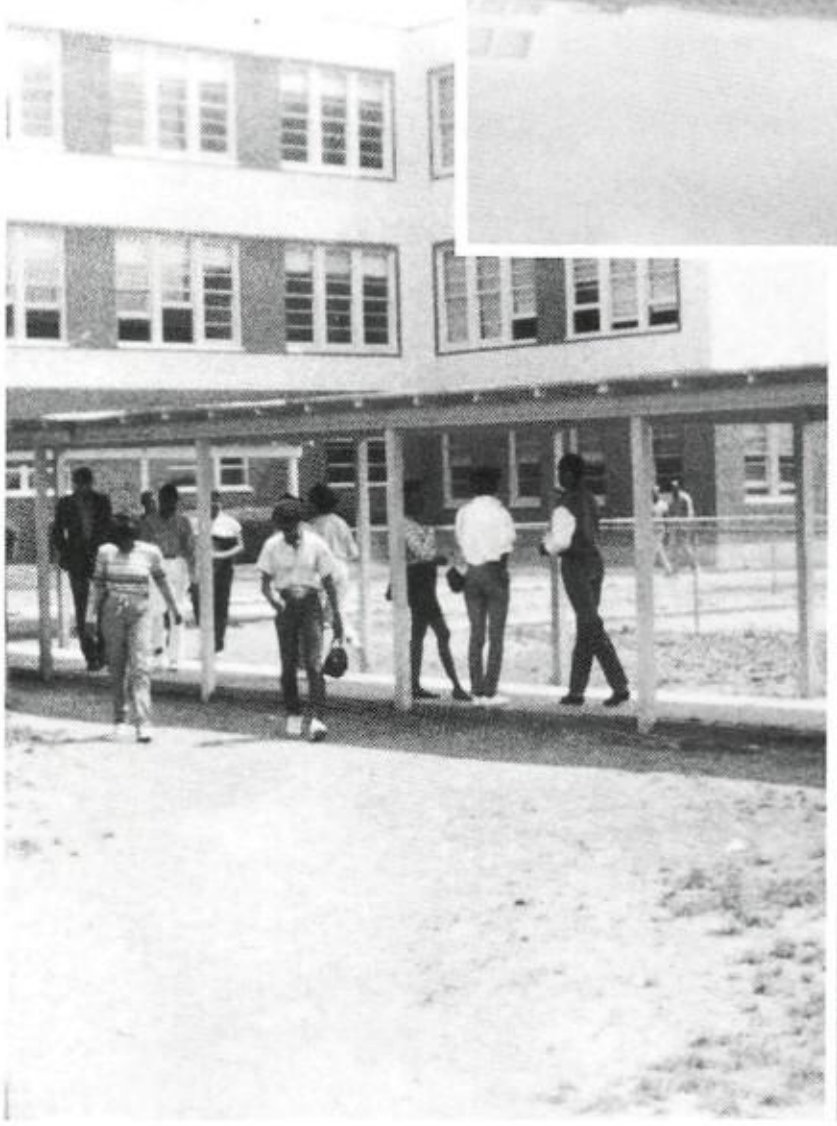


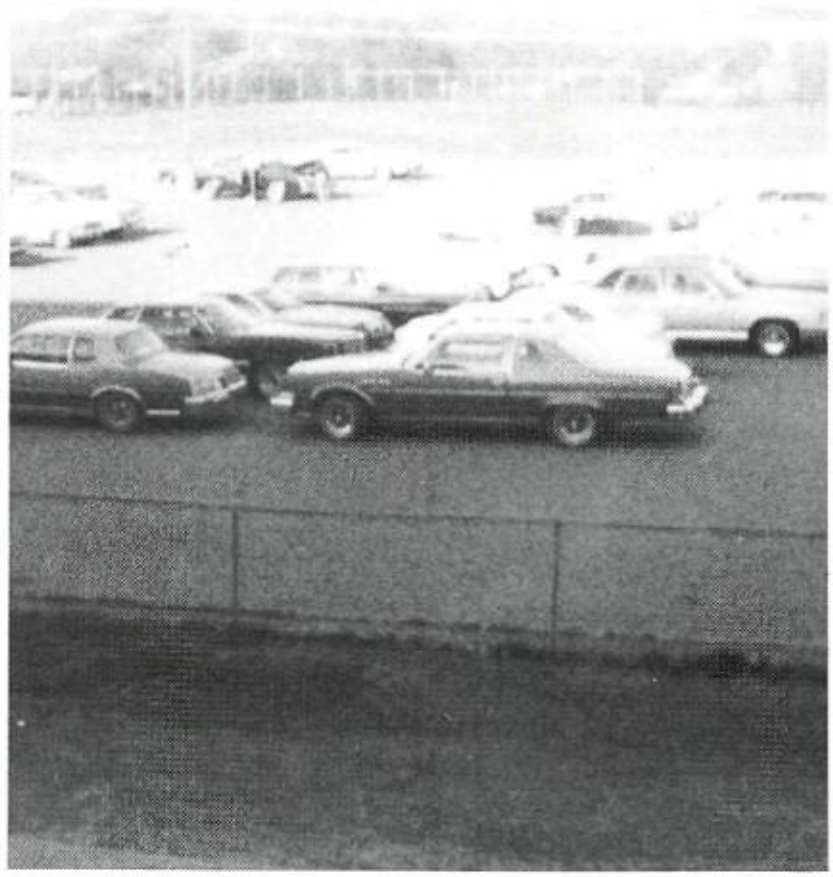


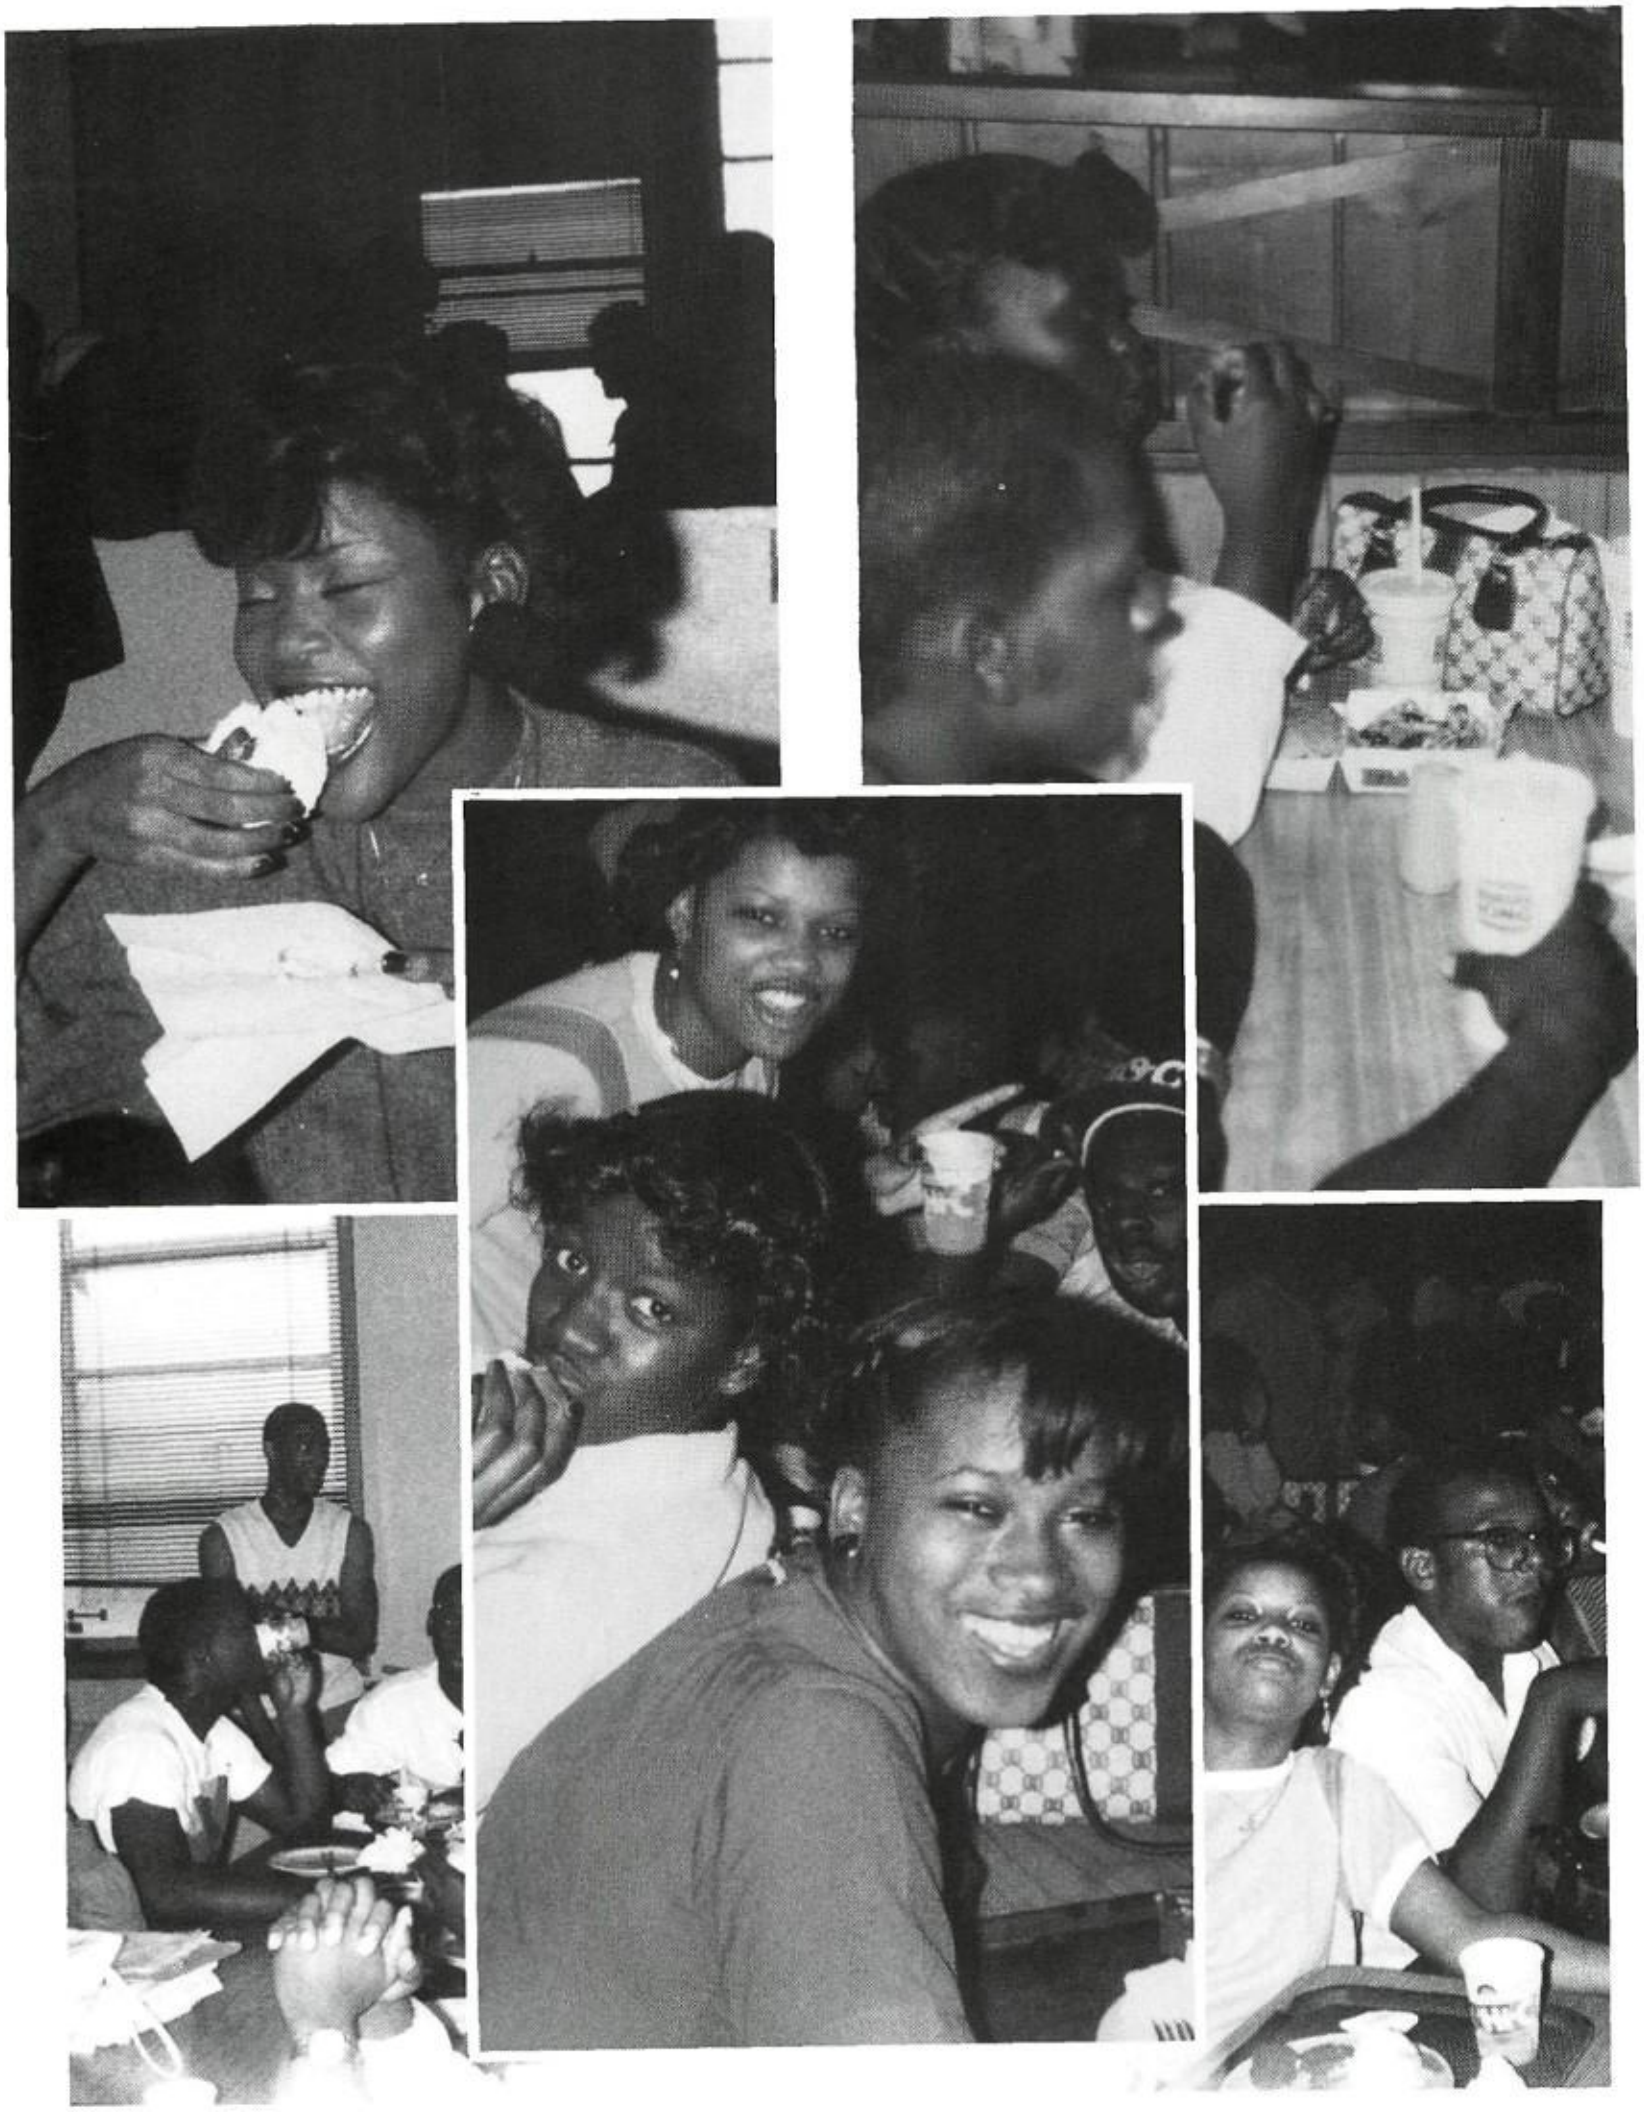
At S.O.C.!



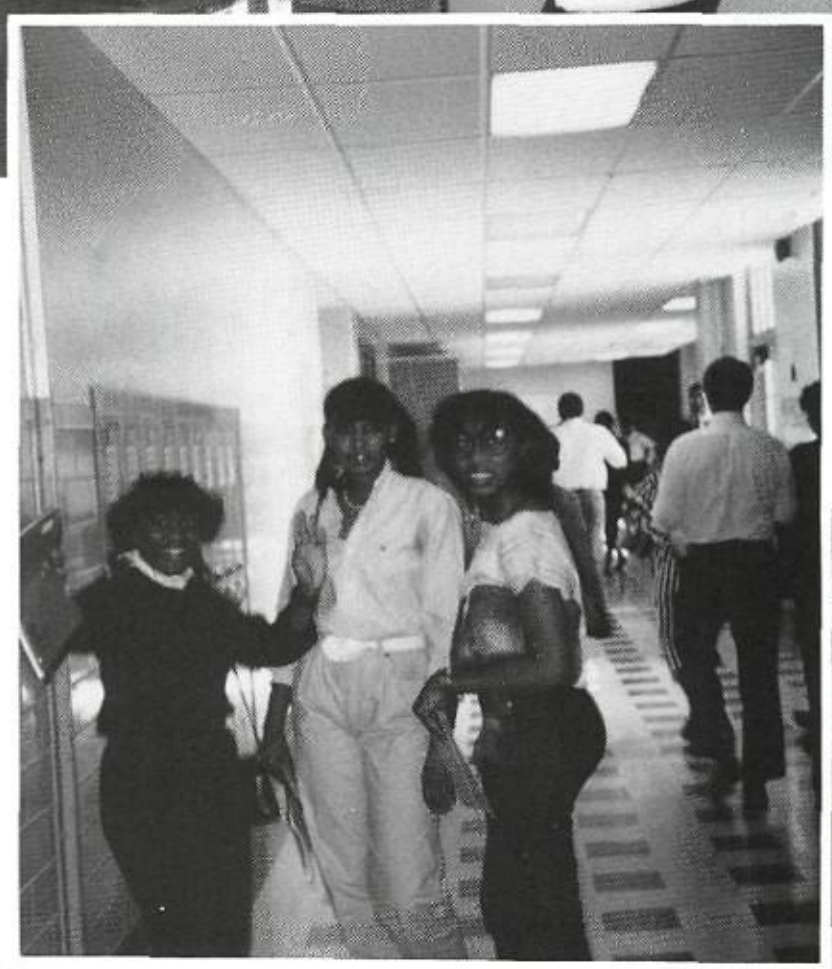
"Summer Is Here!"



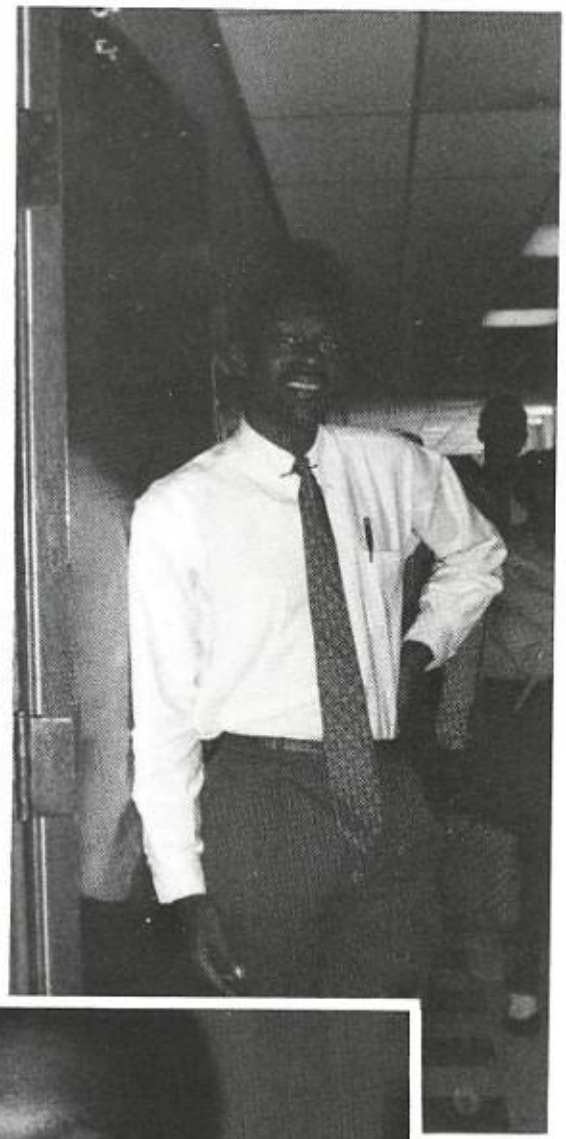


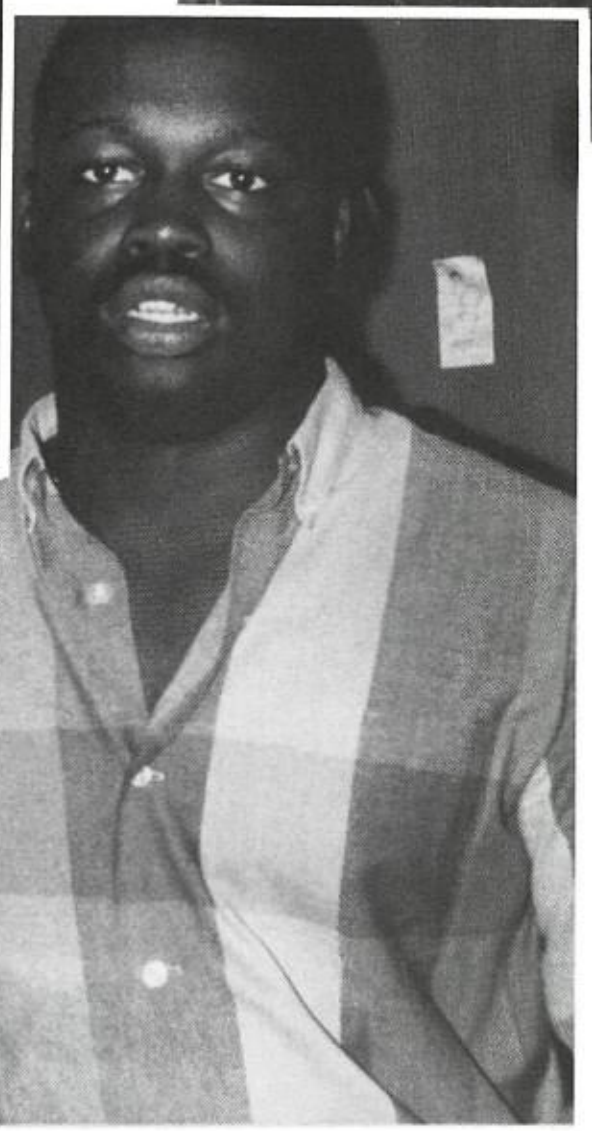


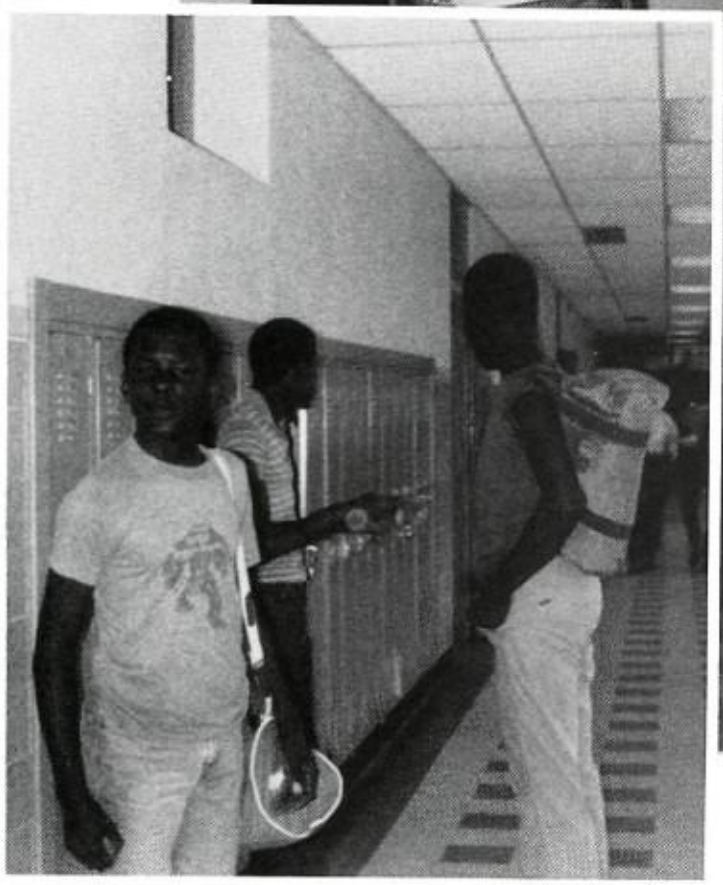
The lunch room is the center of the days activities



Girls just wanna have fun ....

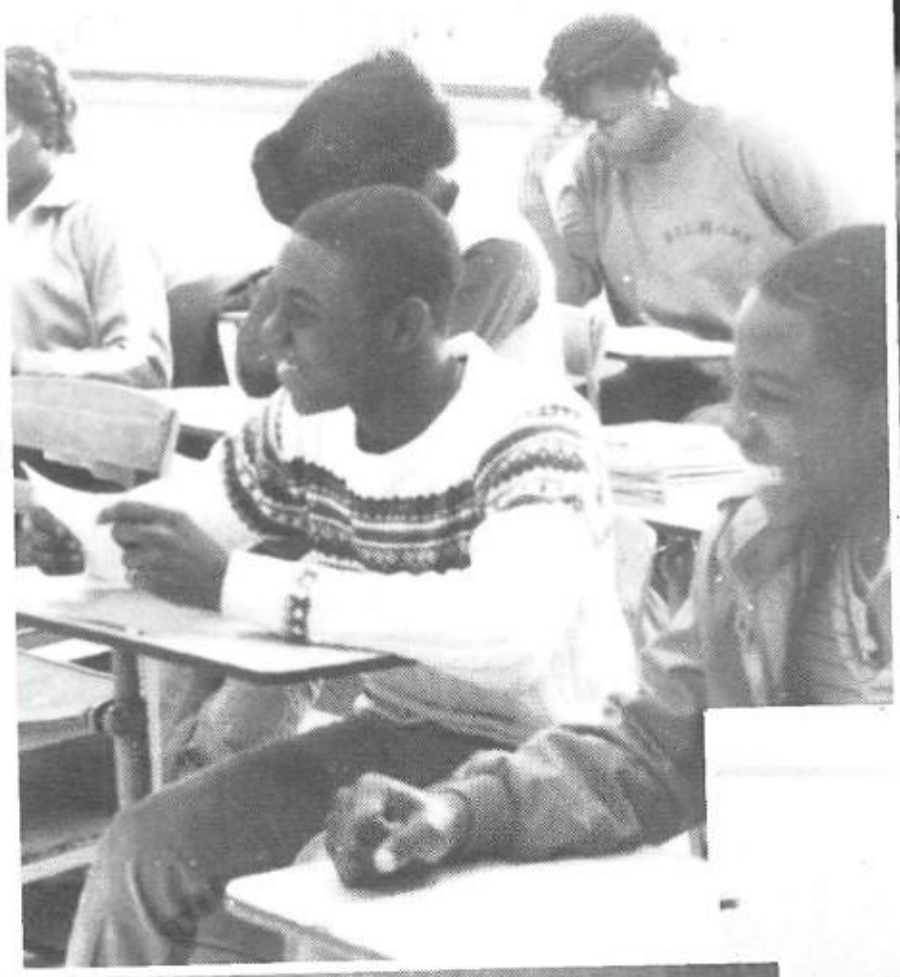


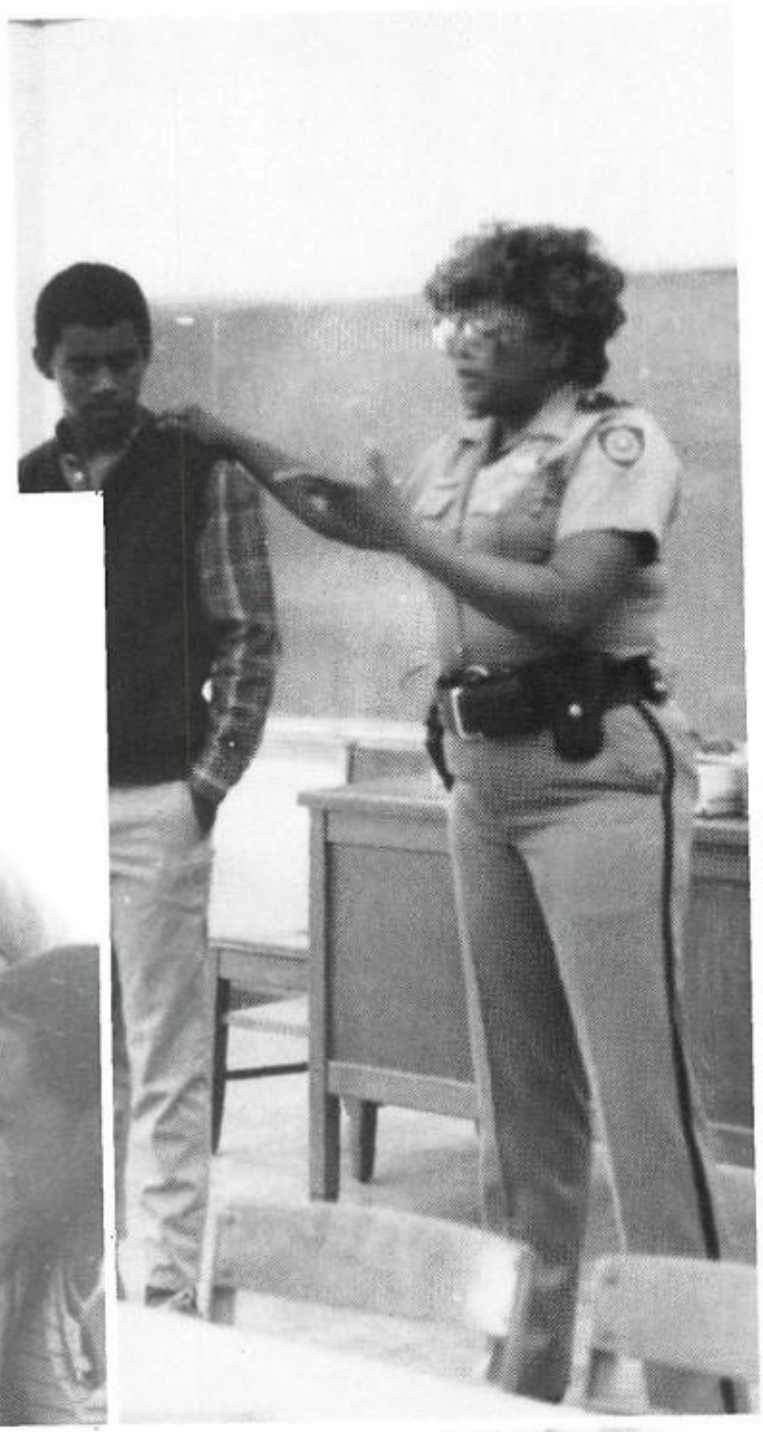


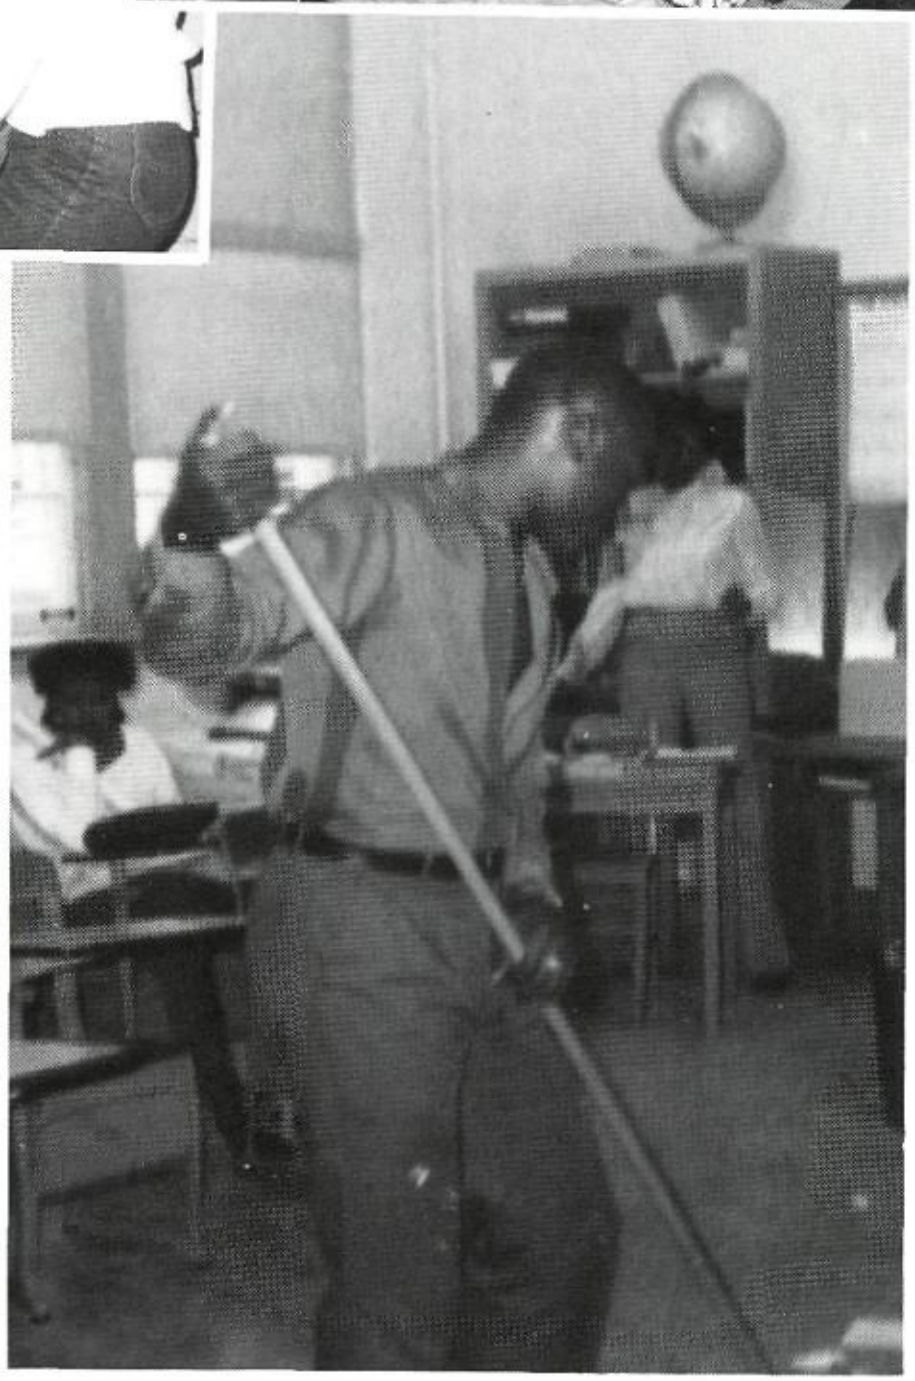


And so do guys!

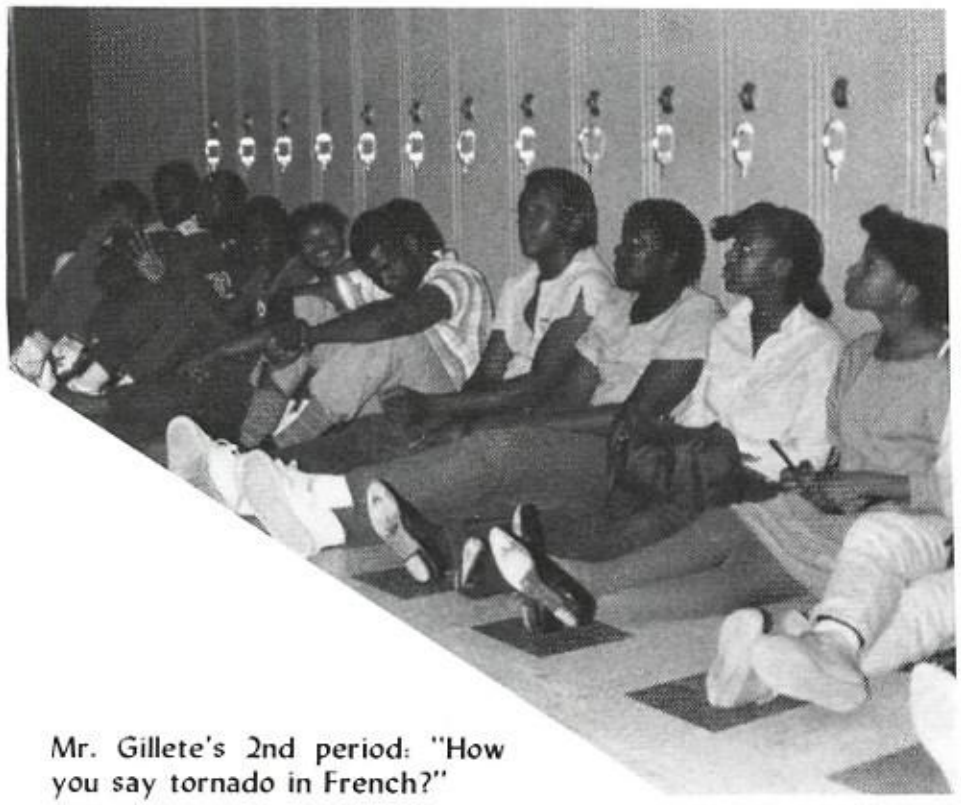
On some days being in class can even be fun.



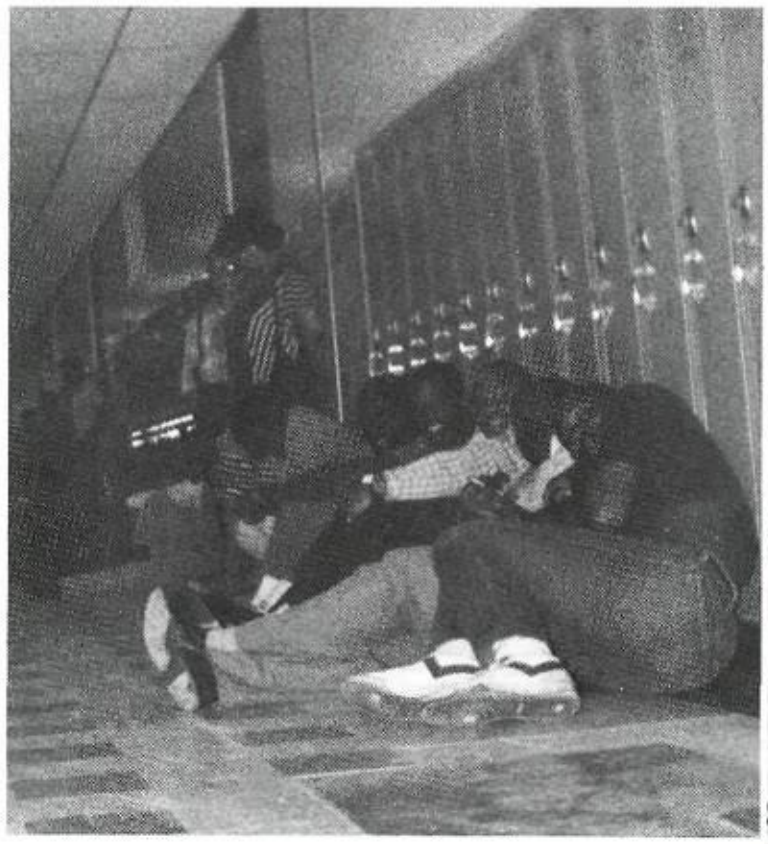




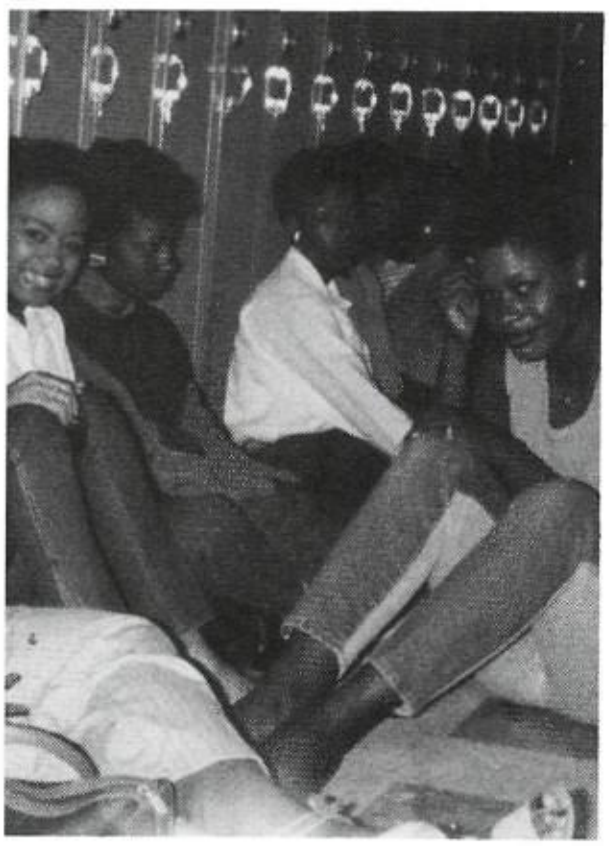
S.O.C. students prove everyday that they can be helpful in more ways than one.



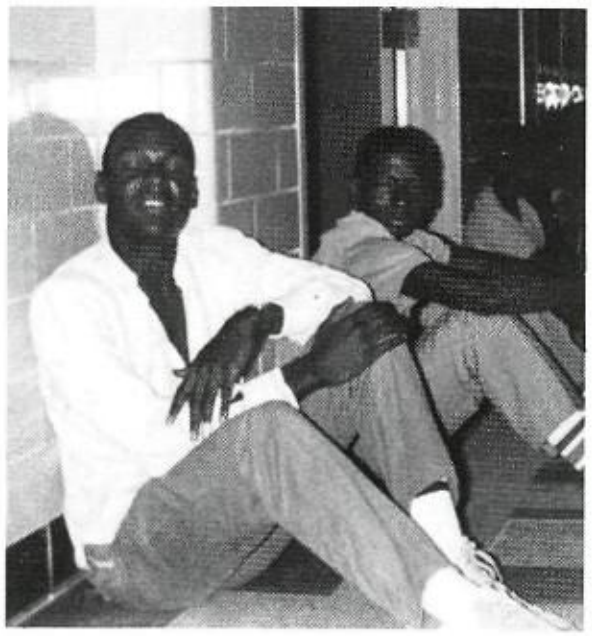
Mr. Gillete's 2nd period: "How you say tornado in French?"



"Come on guys it's just a little thunder and rain."



"I left my make-up in the room!"

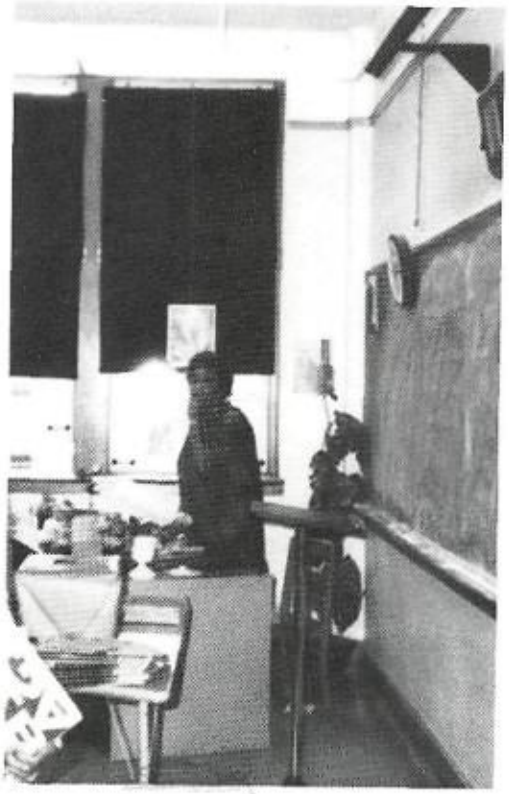


"Should I wake him up? Nah!"

"Free car wash!"

"PLEASE DON'T TELL MONIQUE."

"Oh goodness; Please don't tell me it's time for 5th Period."

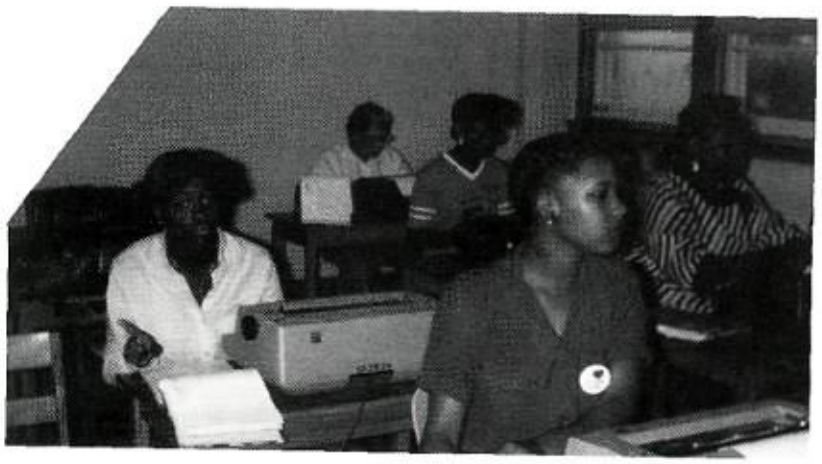


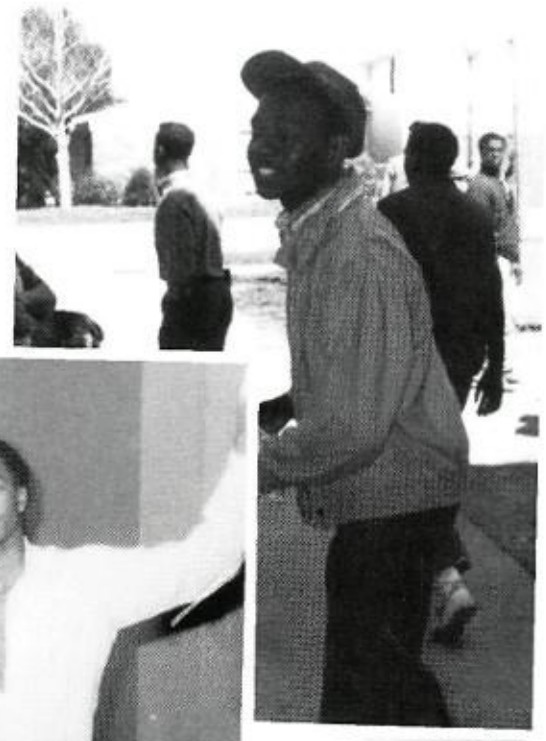
"Go ahead and jump Veynell. It won't hurt, I promise."

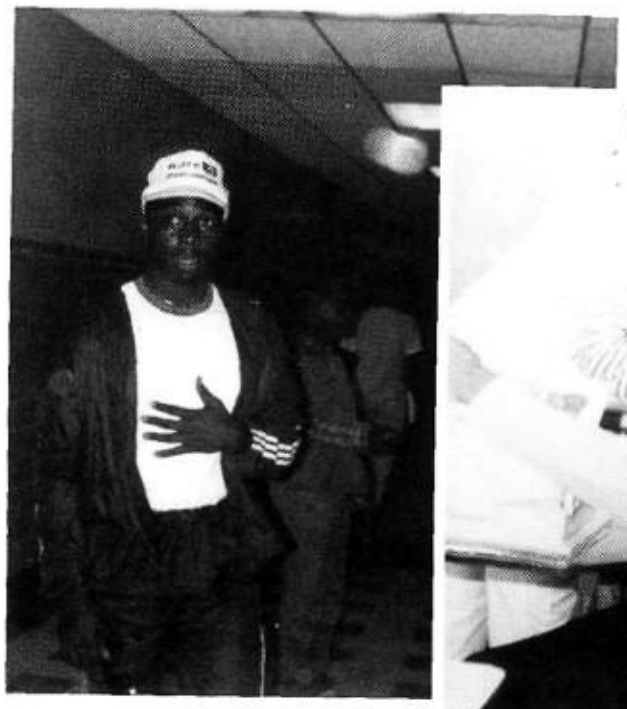
"OKAY YOU HAVE YOUR OLD DRESS, BACK!"

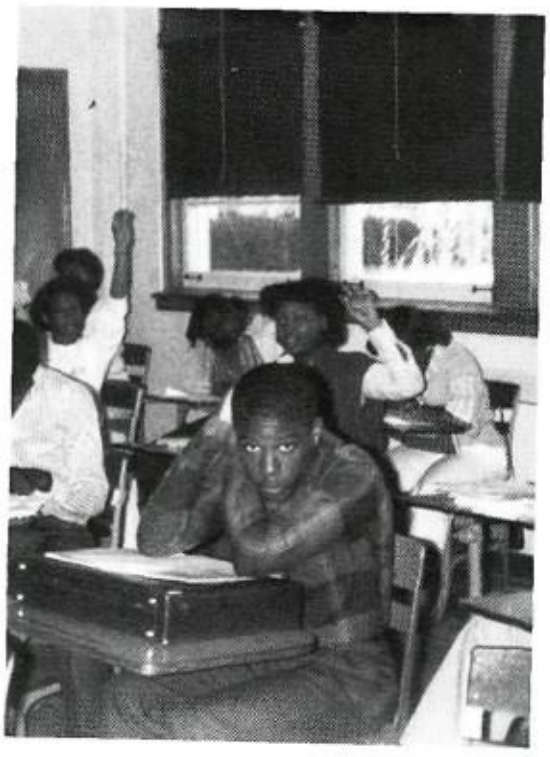
"I'm not gonna change your grade Eric and that's final!"

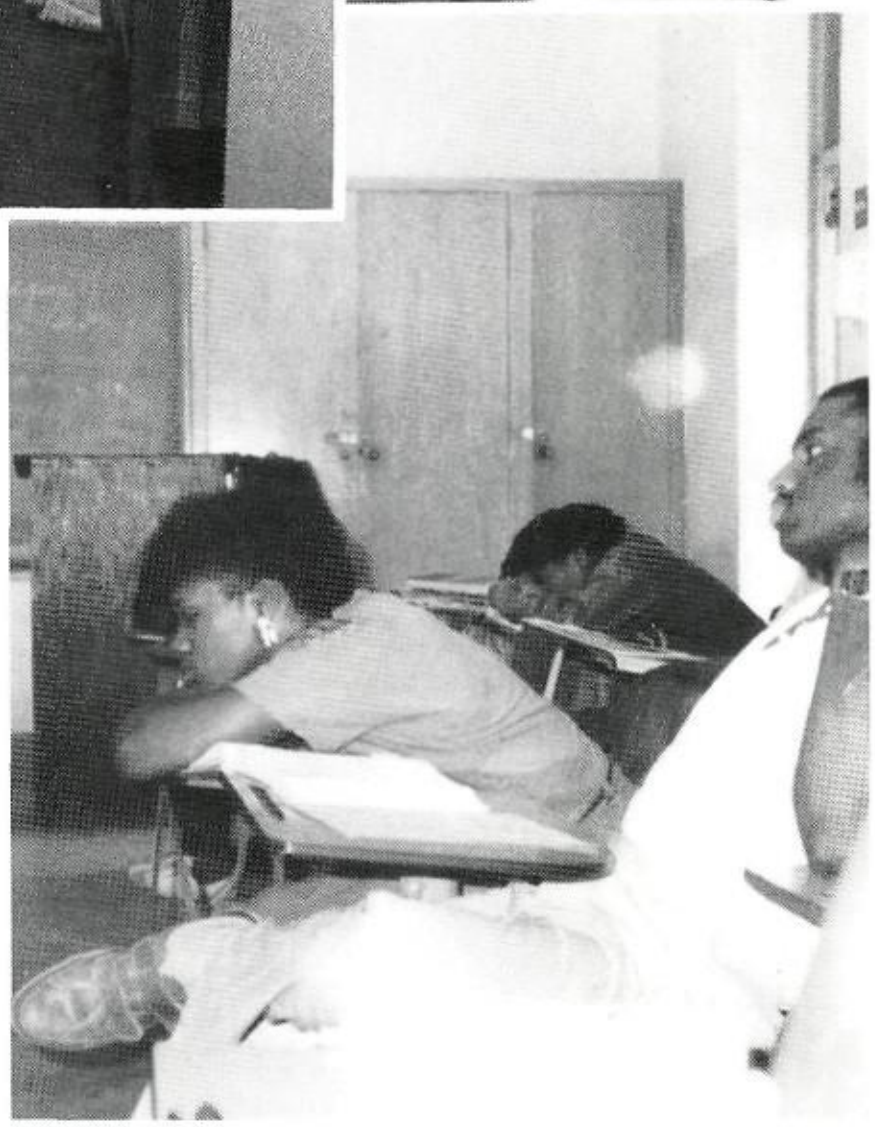
"I'm not on the phone Mrs. Jordan!"



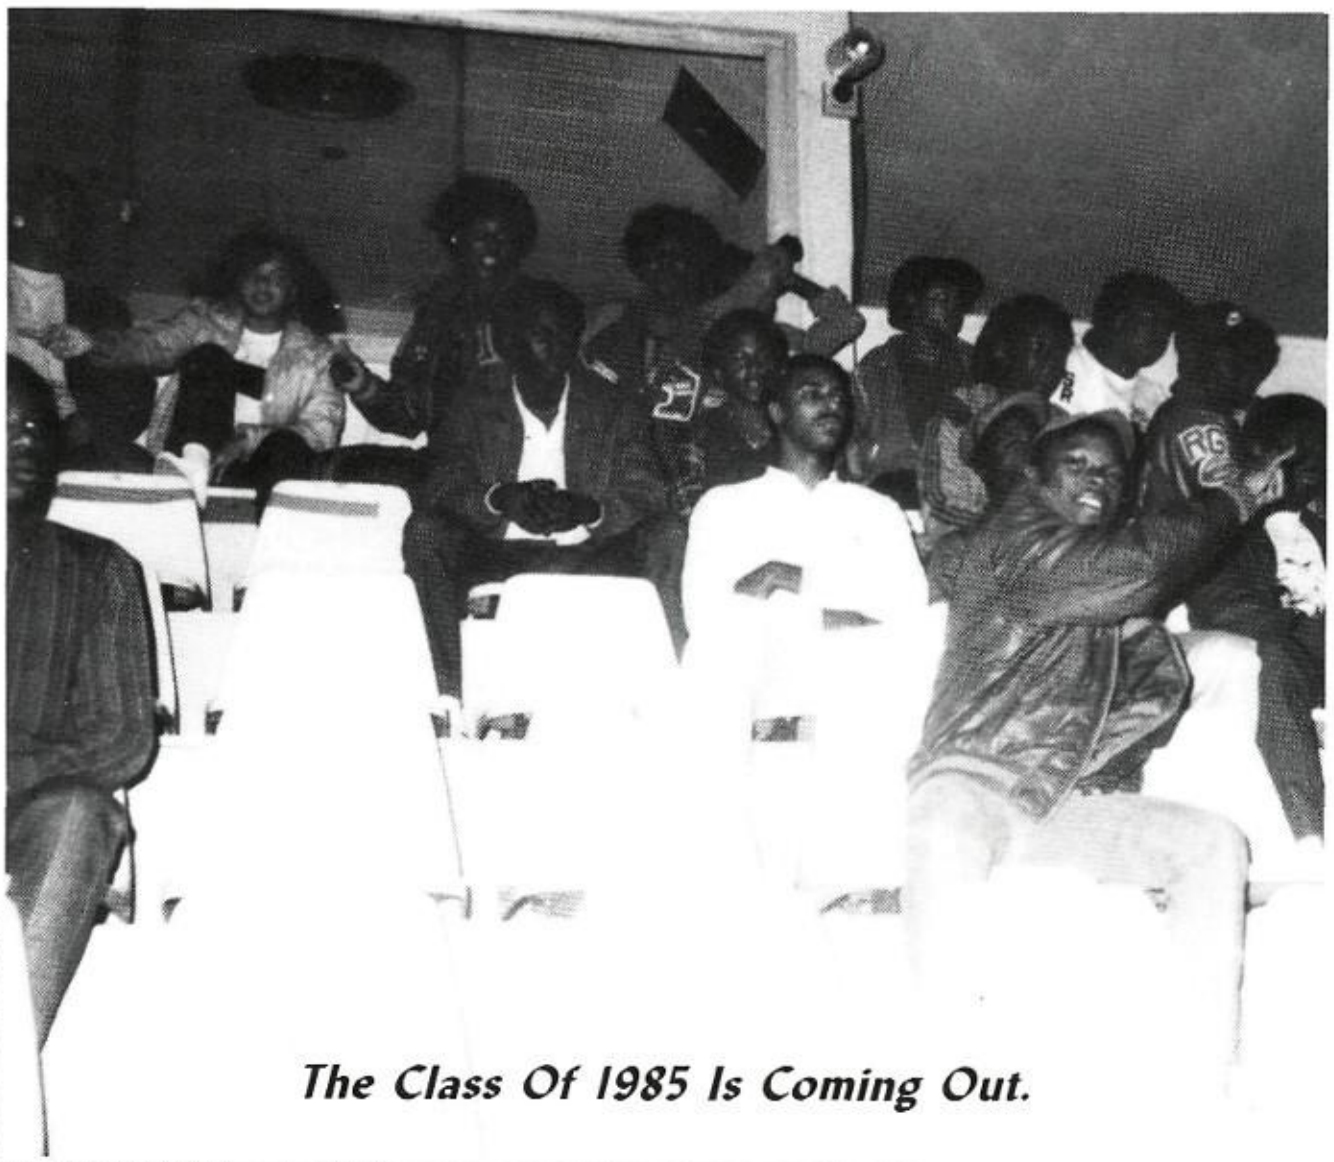




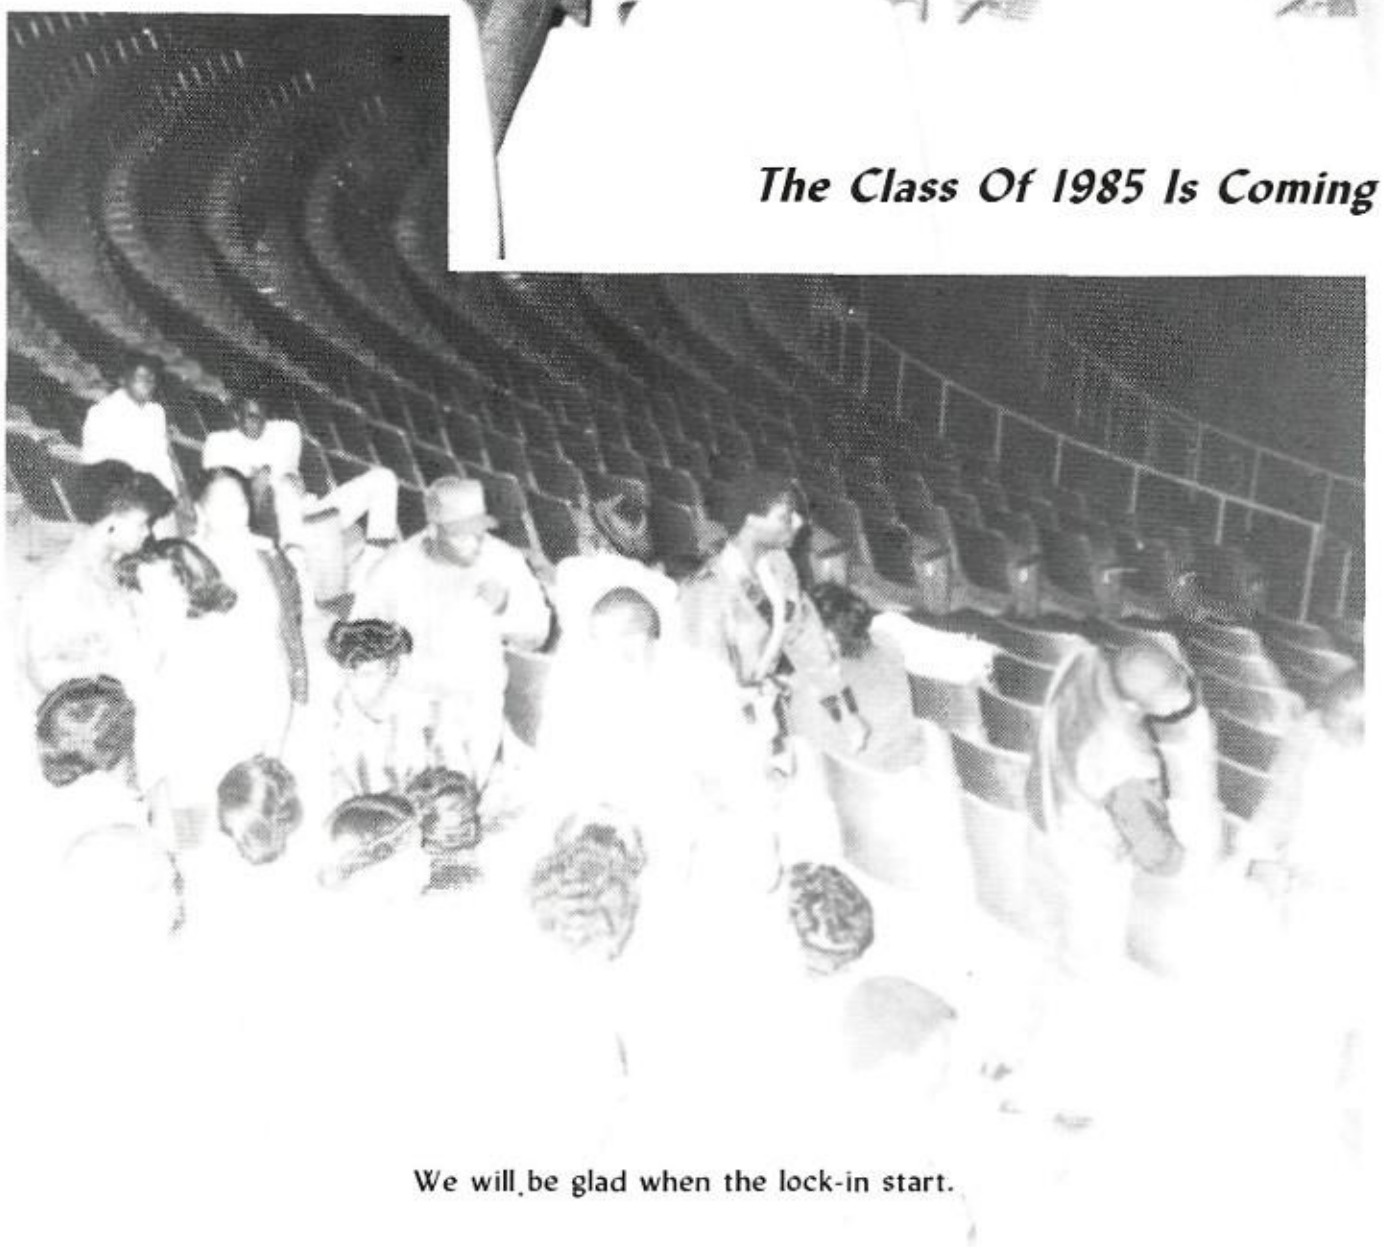




South Oak Cliff senior students just didn't spend their time in their books. They also liked spending their time hanging out as one big happy group. Seniors found out that rolling a few balls could be just as exciting as anything else.



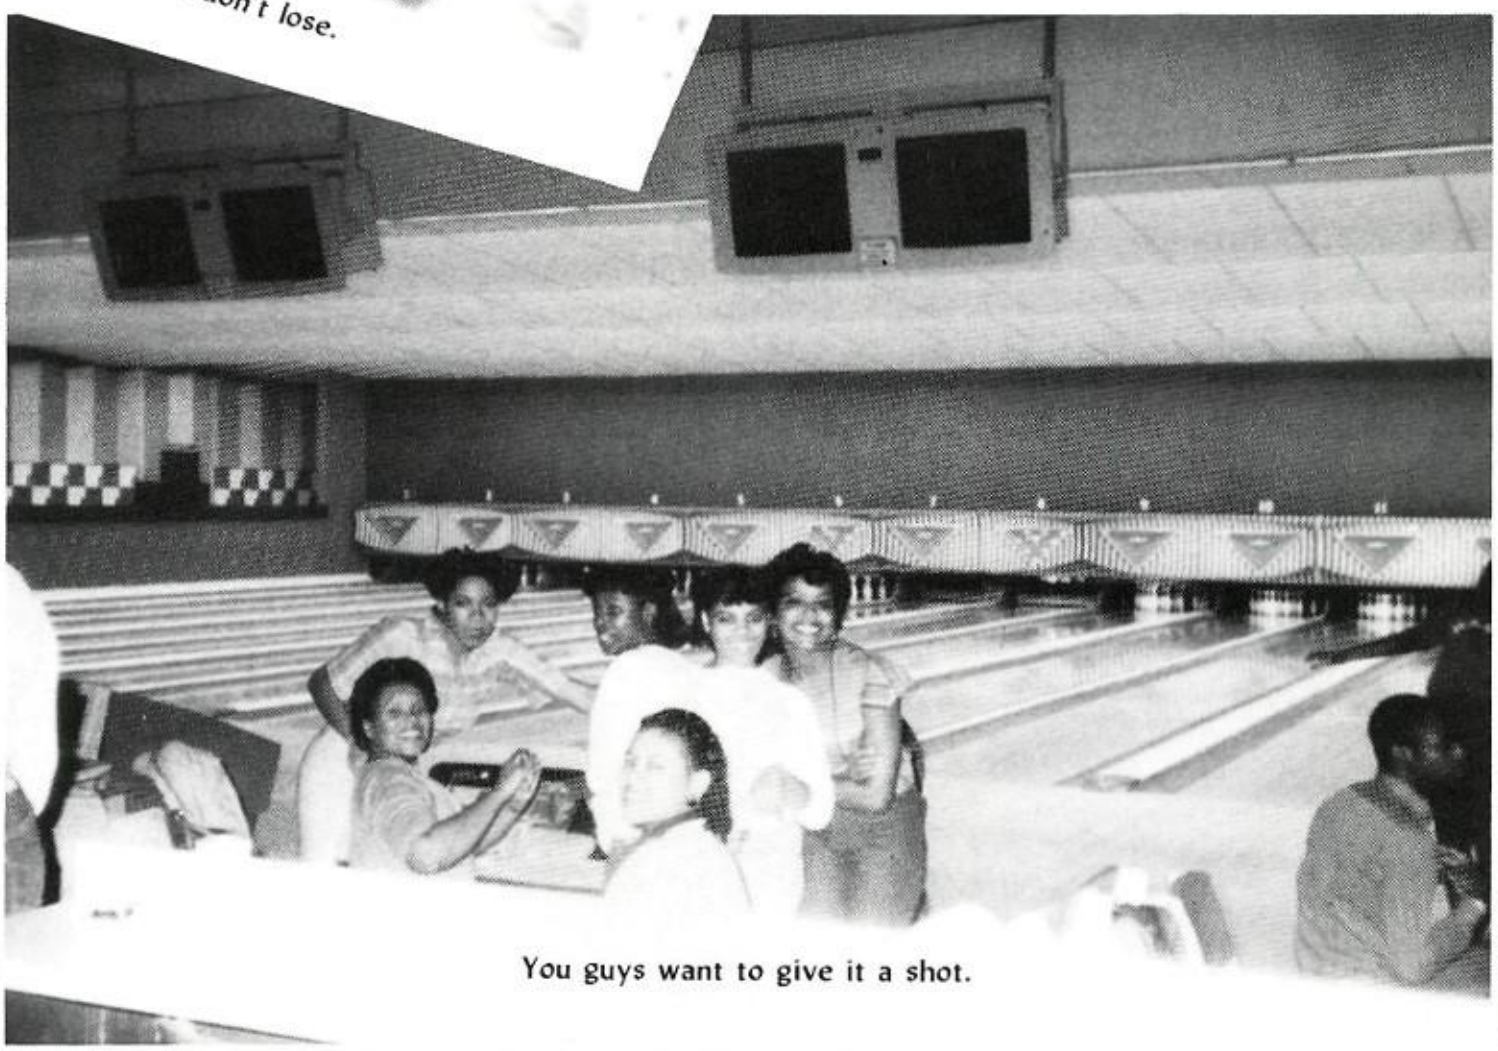
The Class Of 1985 Is Coming Out.



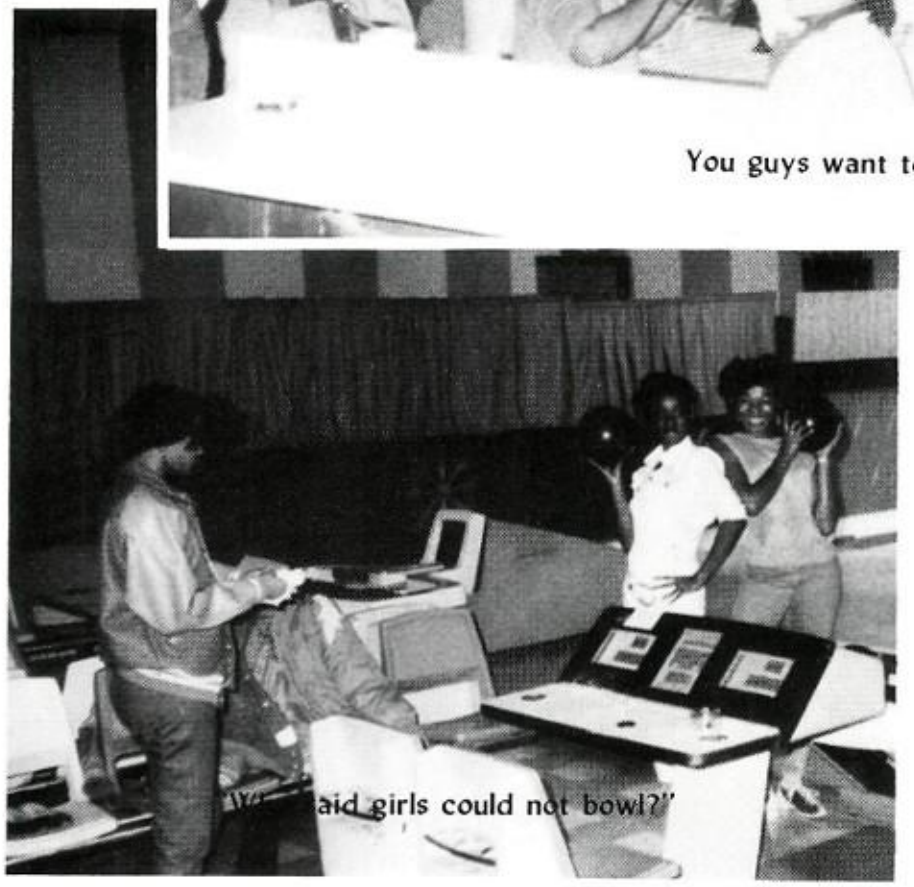
We will be glad when the lock-in start.

I hope this time I don't lose.

The Senior of "85" can't slow down.

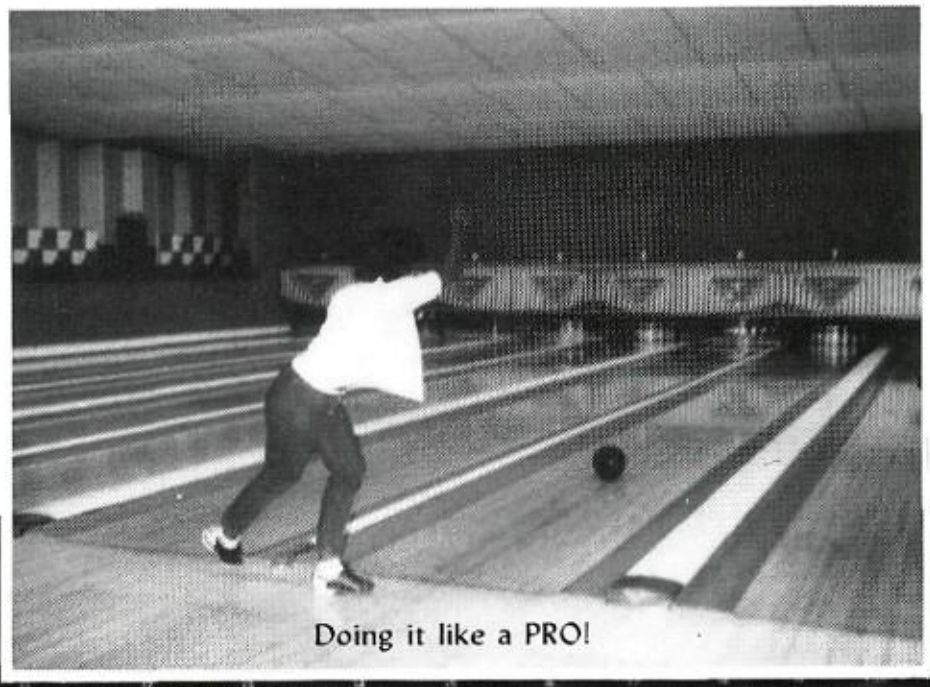


You guys want to give it a shot.

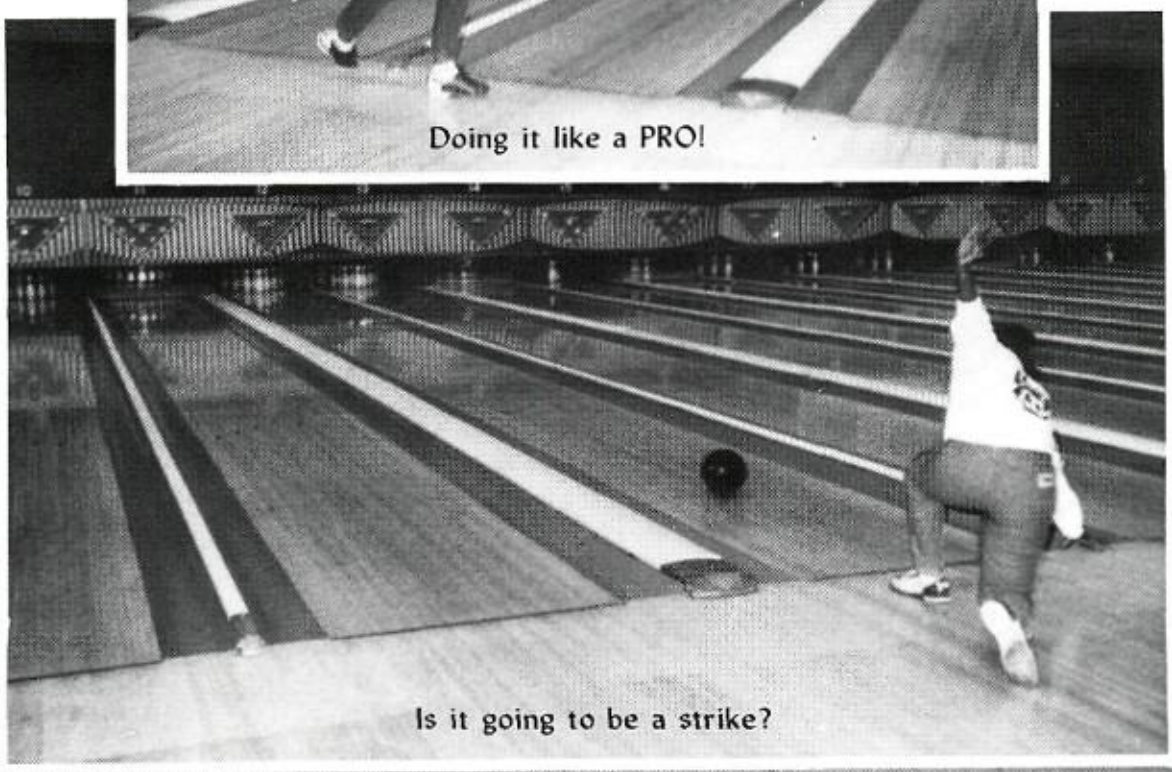


aid girls could not bowl?"

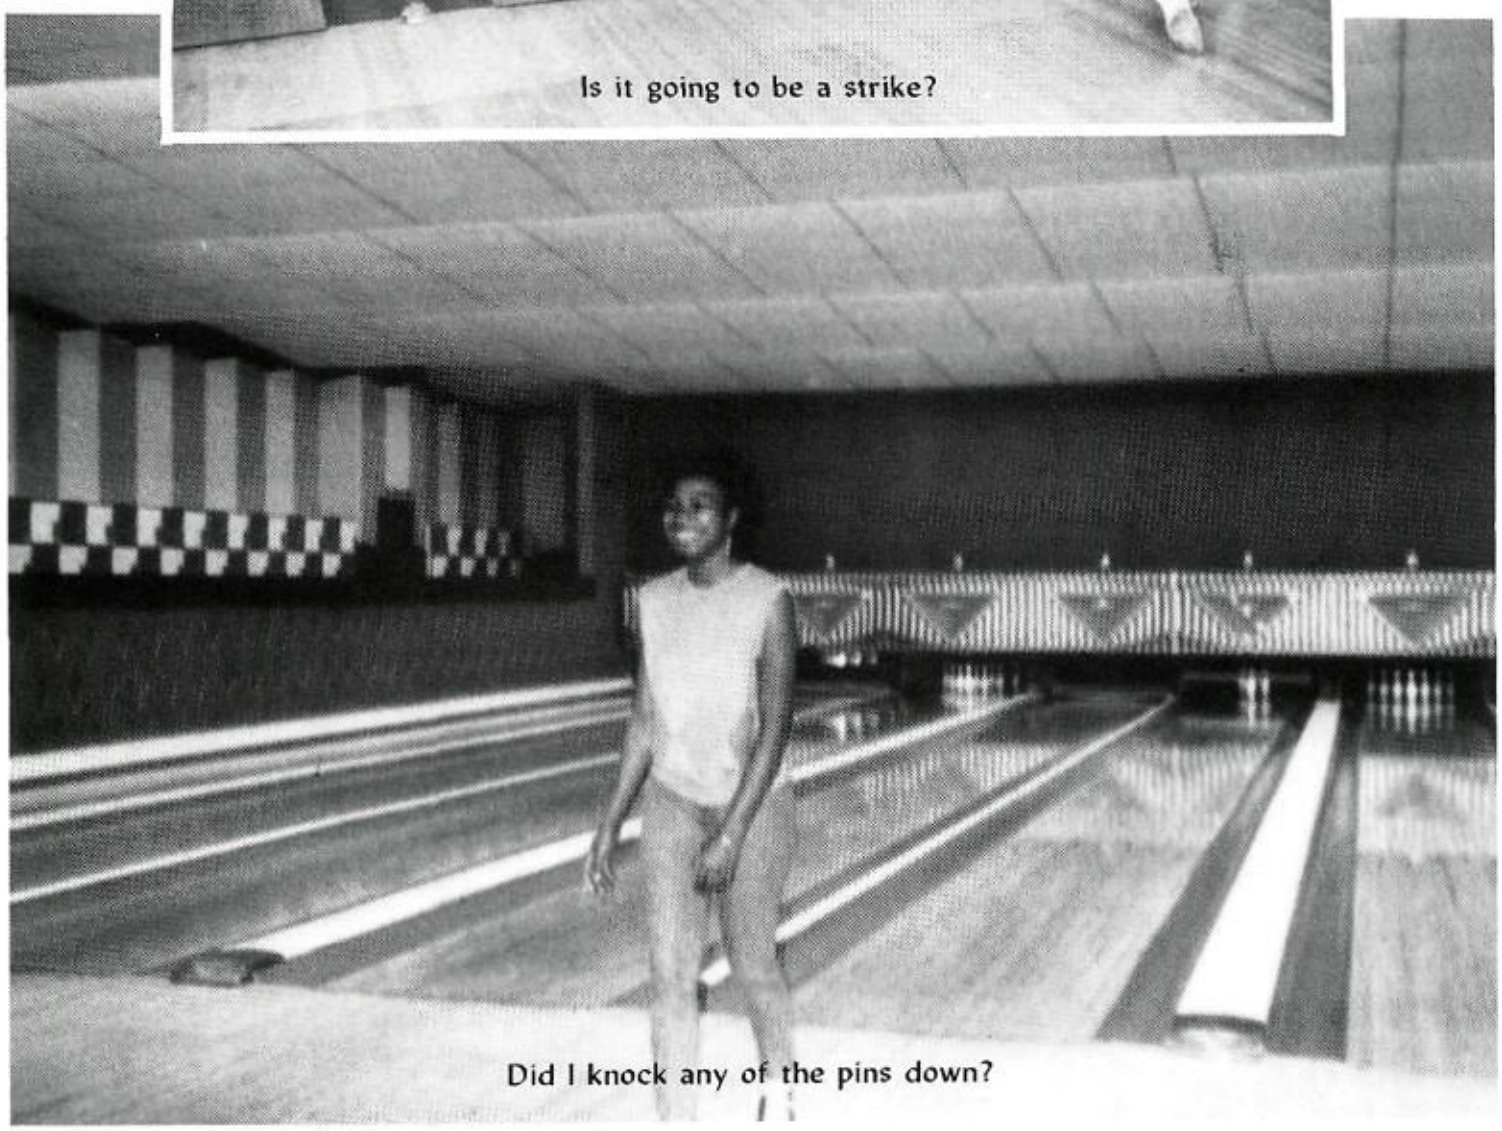
"Eight ball in the corner pocket."



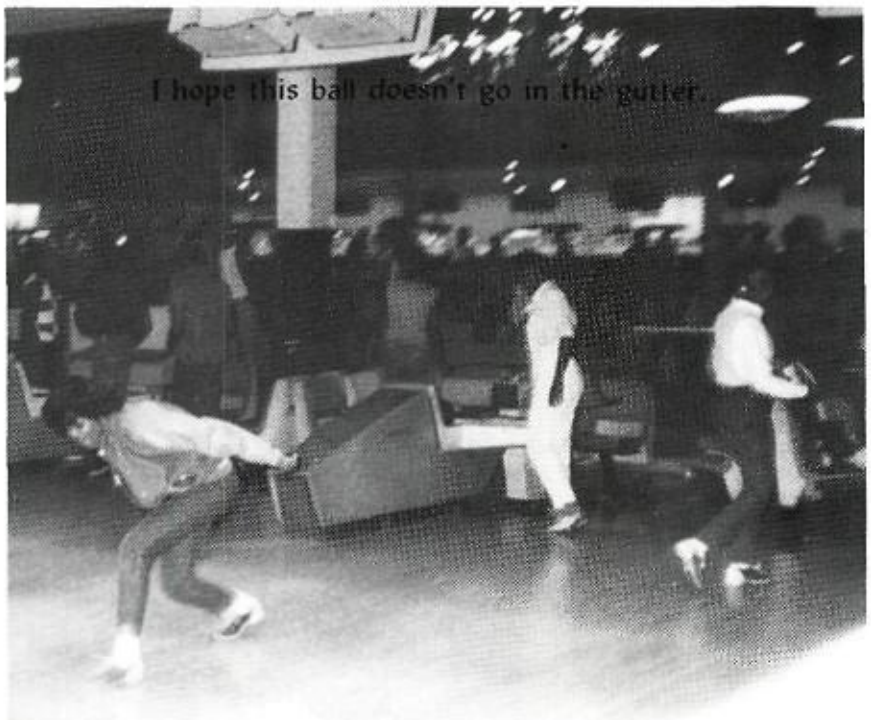
Doing it like a PRO!



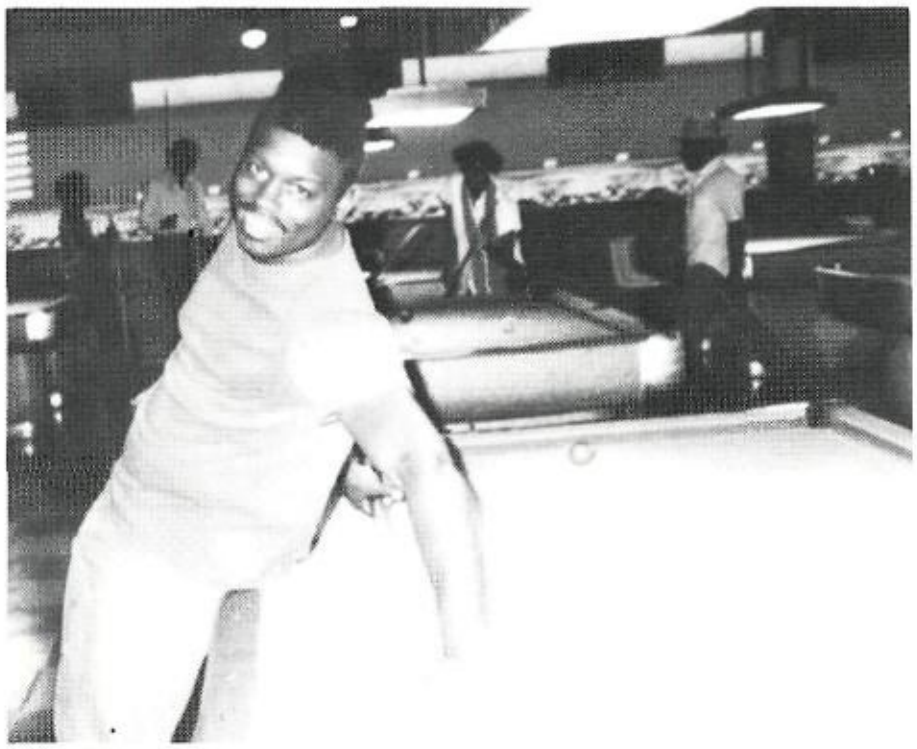
Is it going to be a strike?

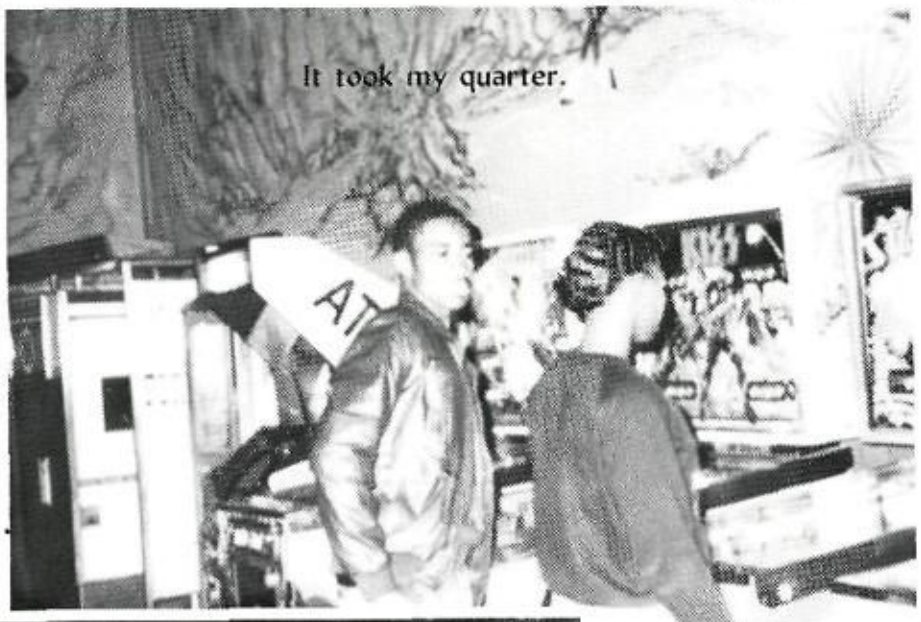


Did I knock any of the pins down?



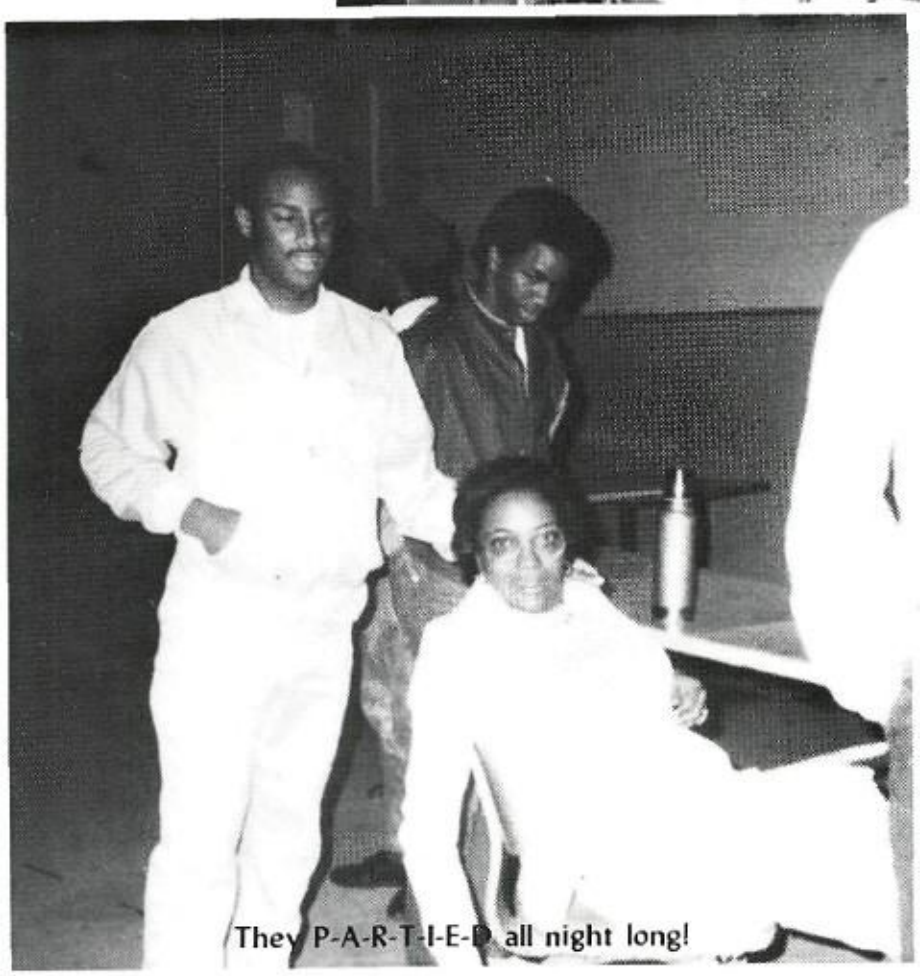
I hope this ball doesn't go in the gutter.



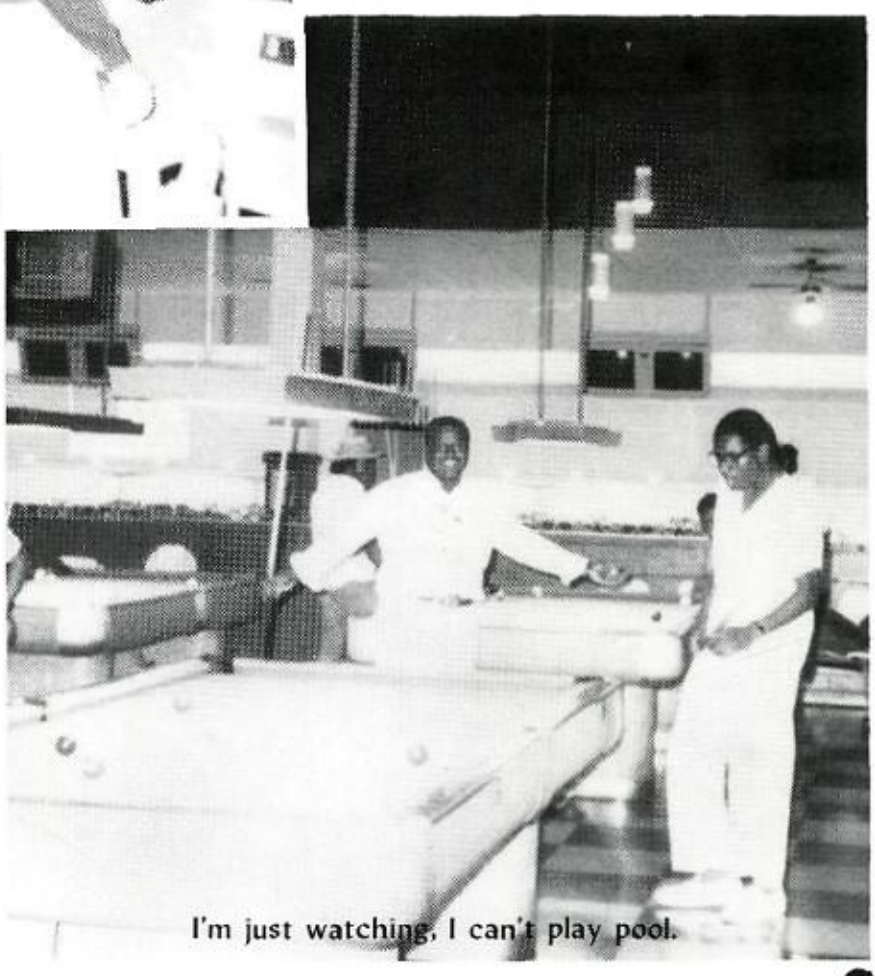


It took my quarter.

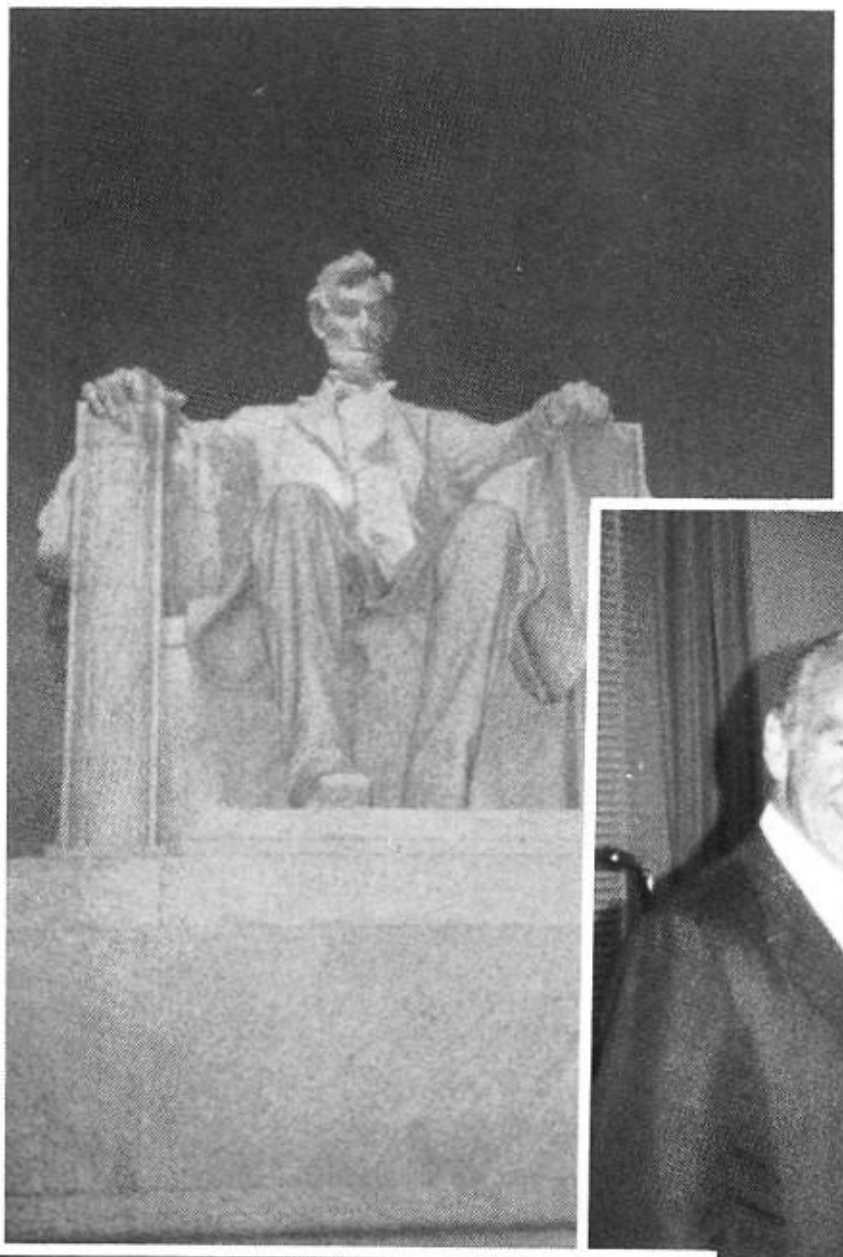
I learned this from "Minnesota Fats."

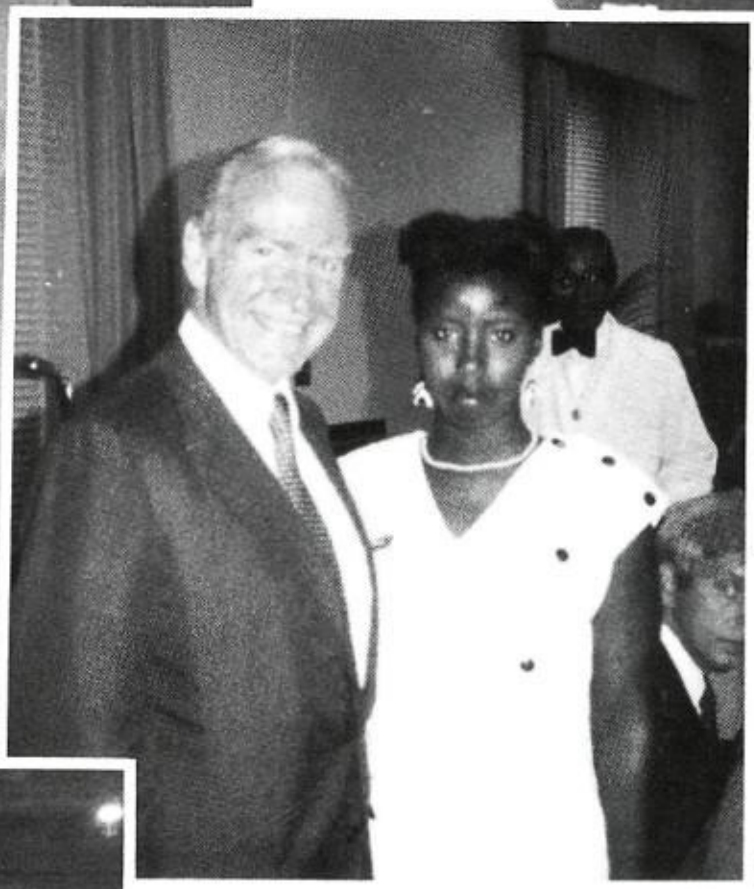


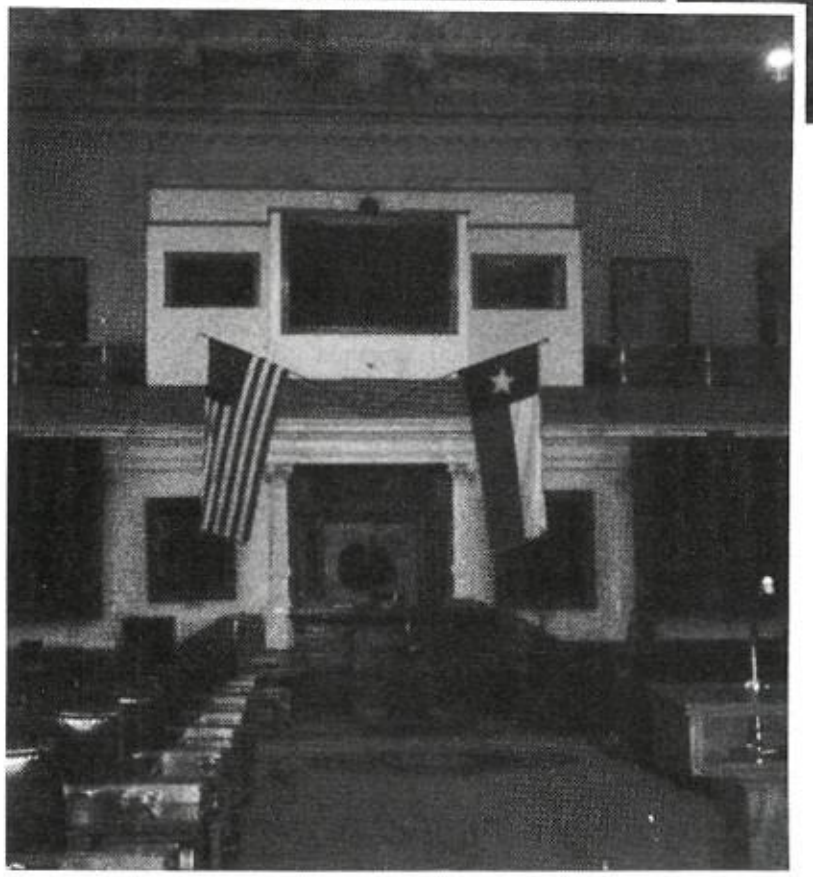
They P-A-R-T-I-E-D all night long!

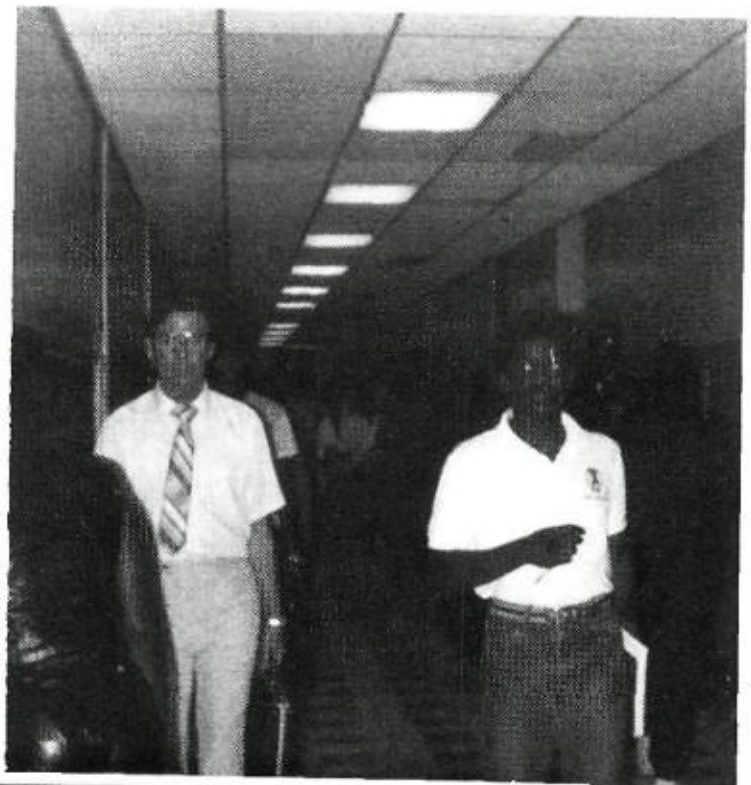


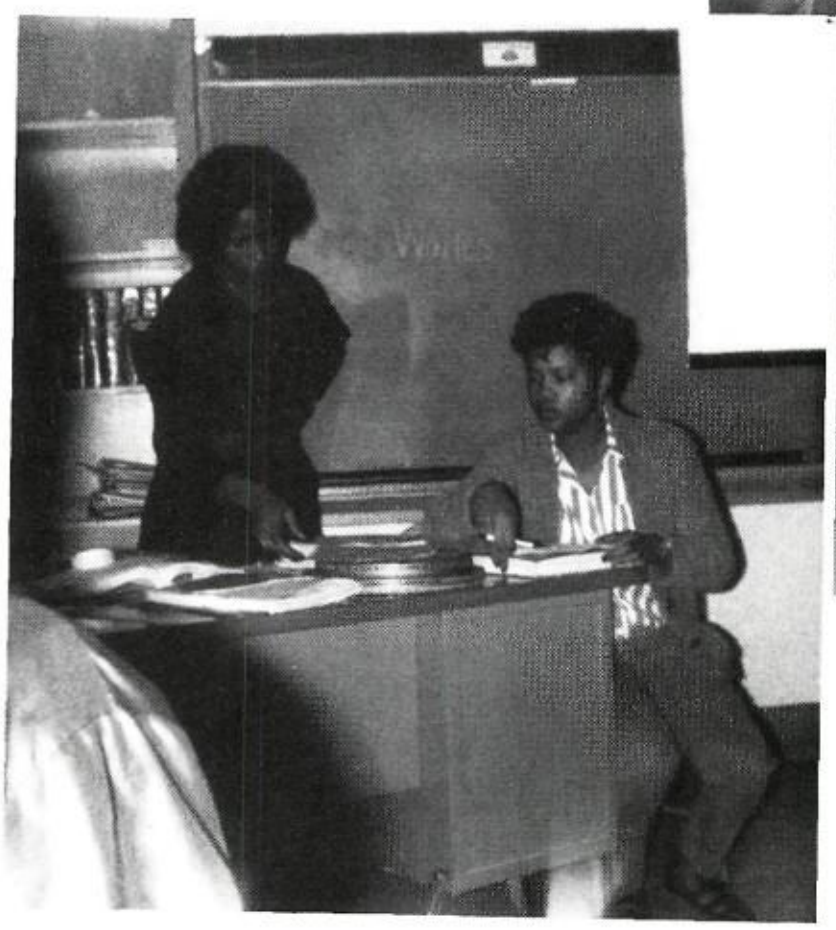
I'm just watching, I can't play pool.

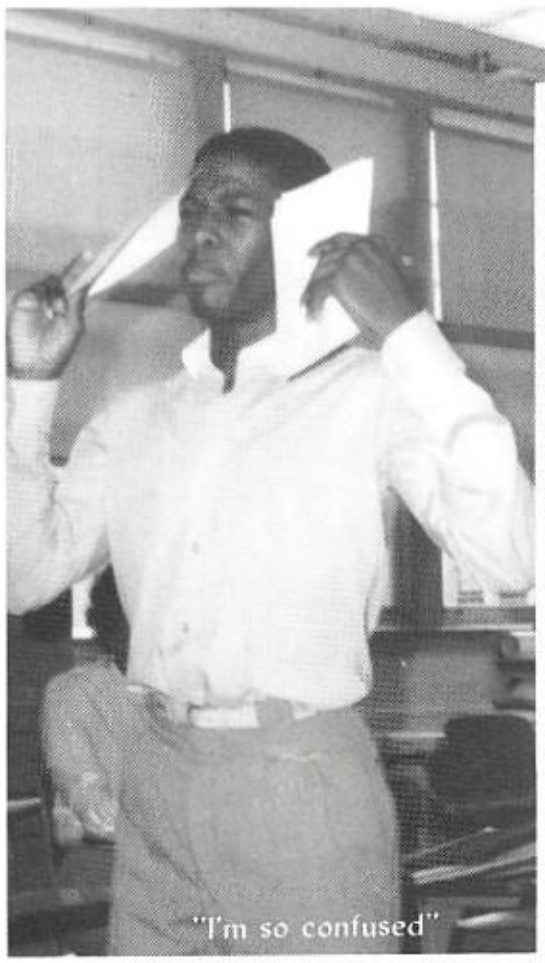




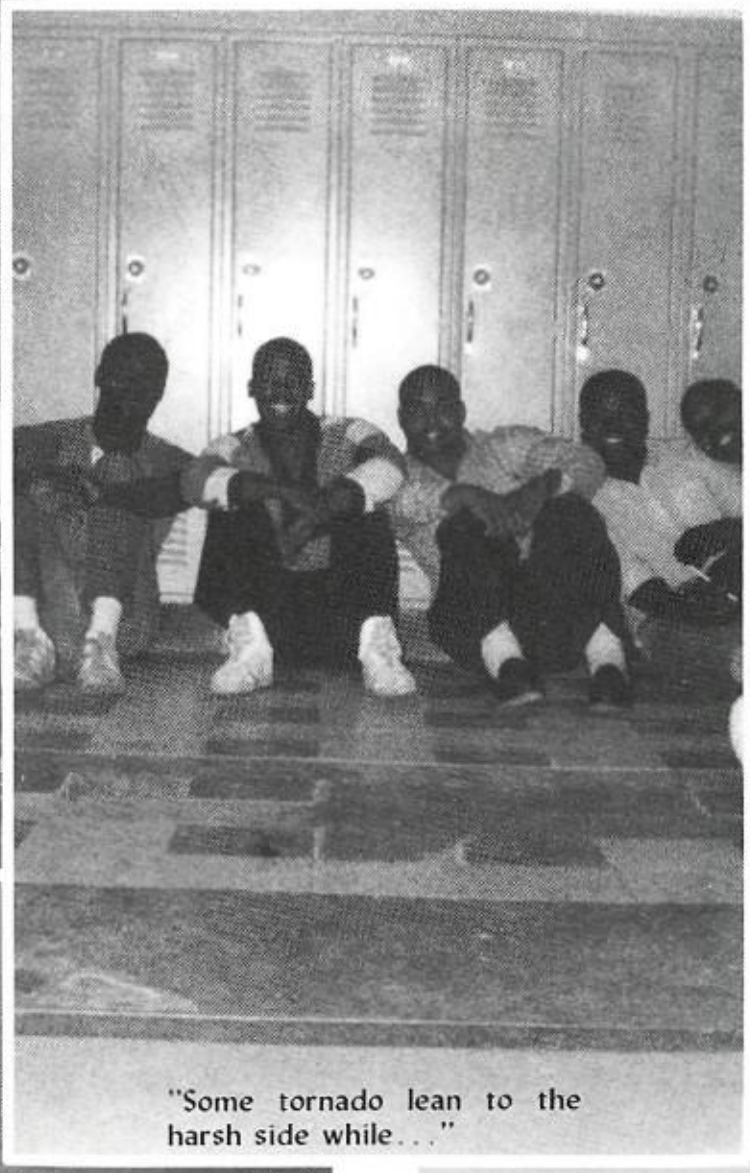




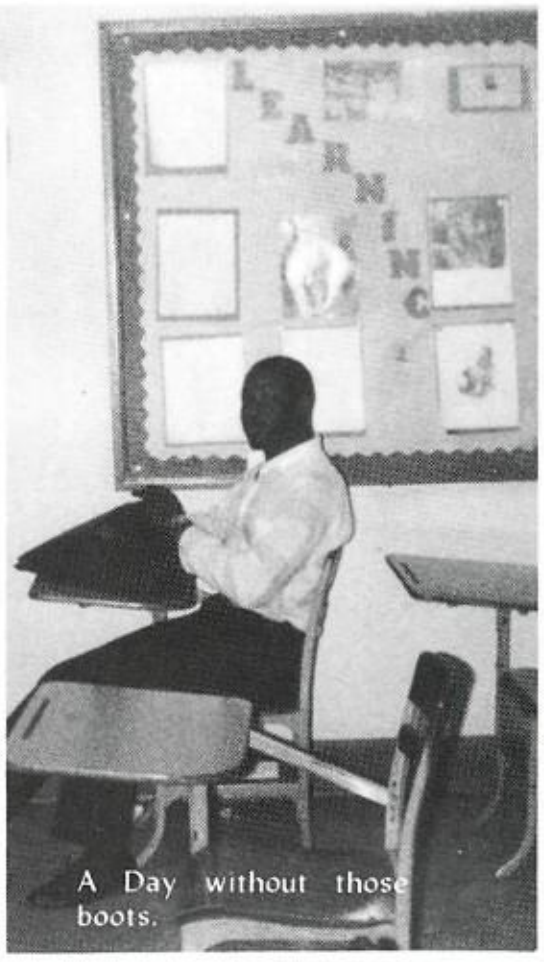




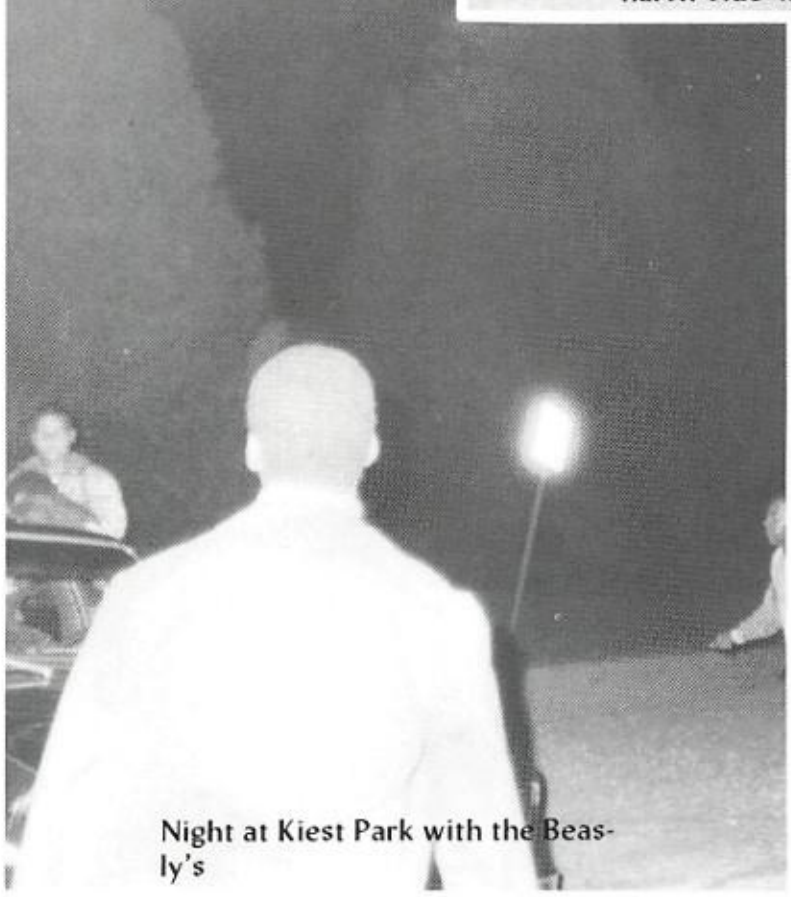
"I'm so confused"



"Some tornado lean to the harsh side while..."



A Day without those boots.



Night at Kiest Park with the Beasly's

"I will sign out no one before it is time."

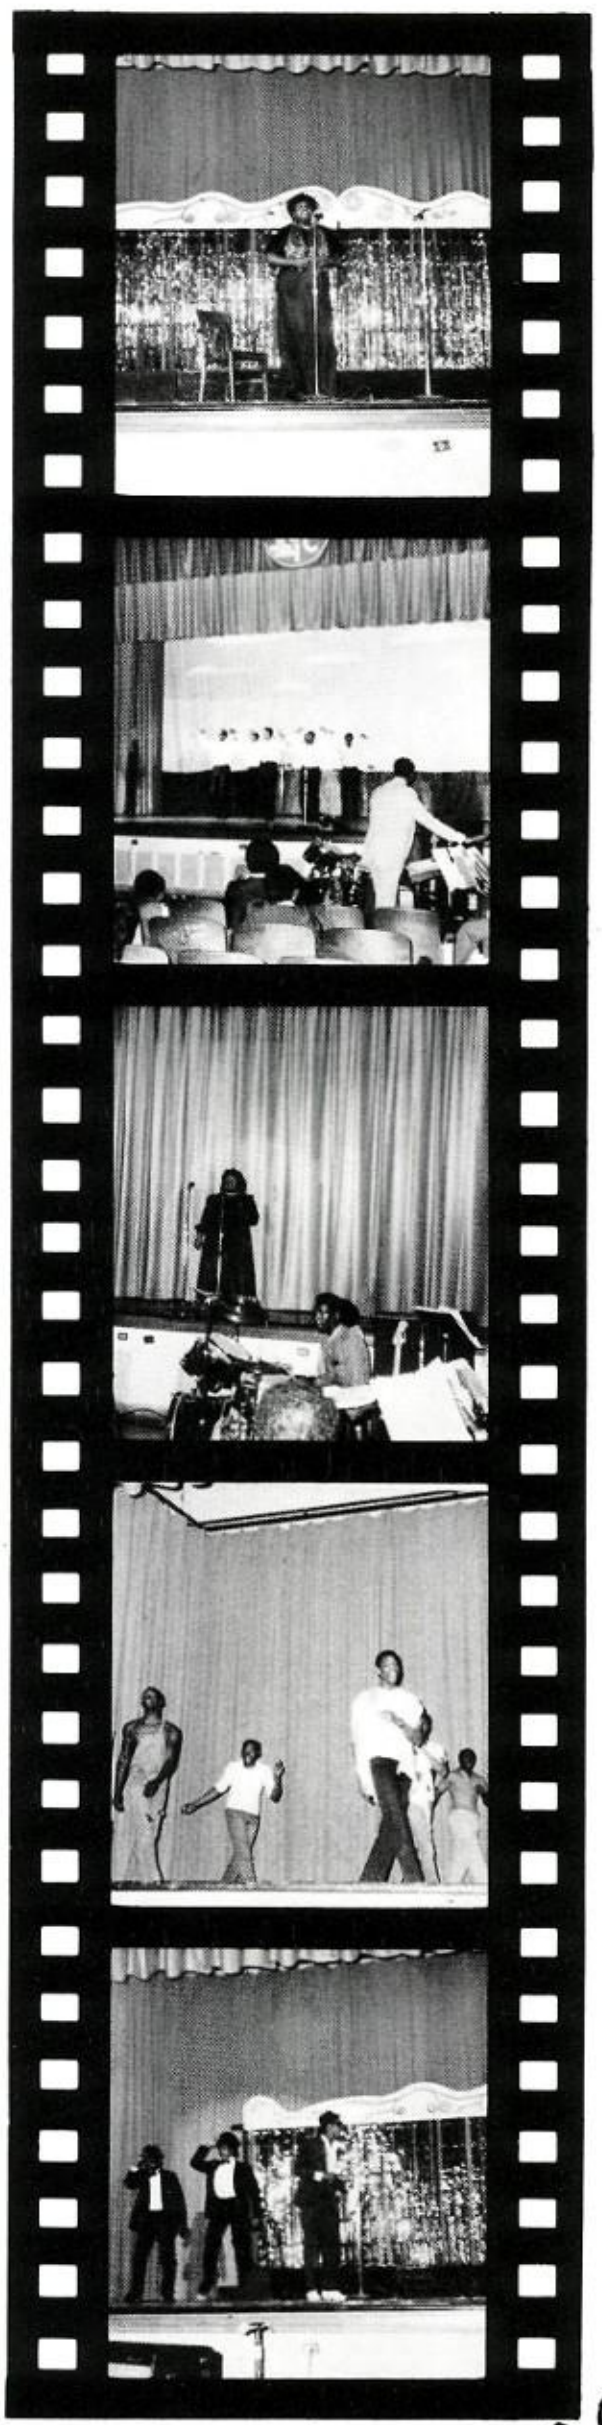
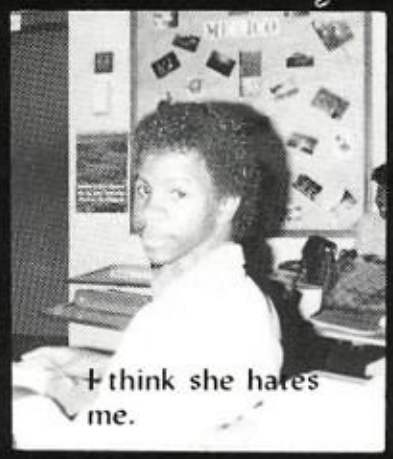
Seven To Retire

ASSISTANT PRINCIPALS POSE WITH RETIREES. From left to right: Dr. Maxine Reese, Asst. Principal, Mr. Leon Brown, Mrs. Gladys Sims, Dr. Rose Clark, Mrs. Ruby Smith, Sgt. David Hoist, Mr. Garland Washington, Asst. Principal.

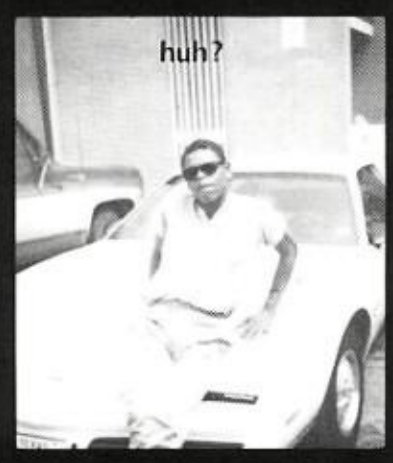




I think she hates me.

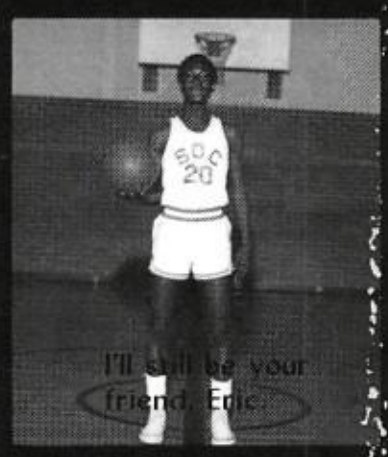
She's [illegible]iling at me[illegible]ma.

Is André missing?



huh?

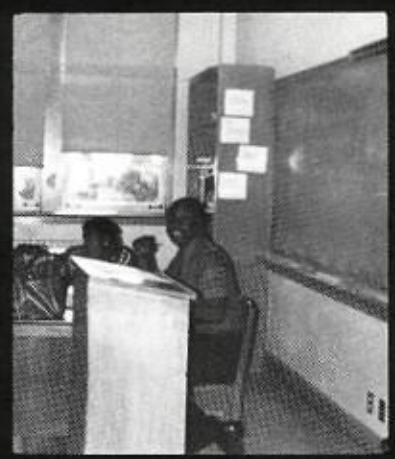
I think I'm next!

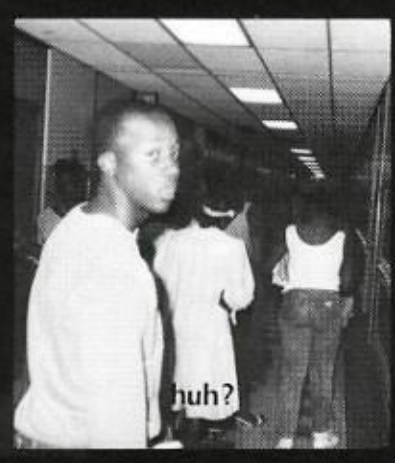


I'll still be your friend, Eric.

Whatever happened to those two guys? What were their names?

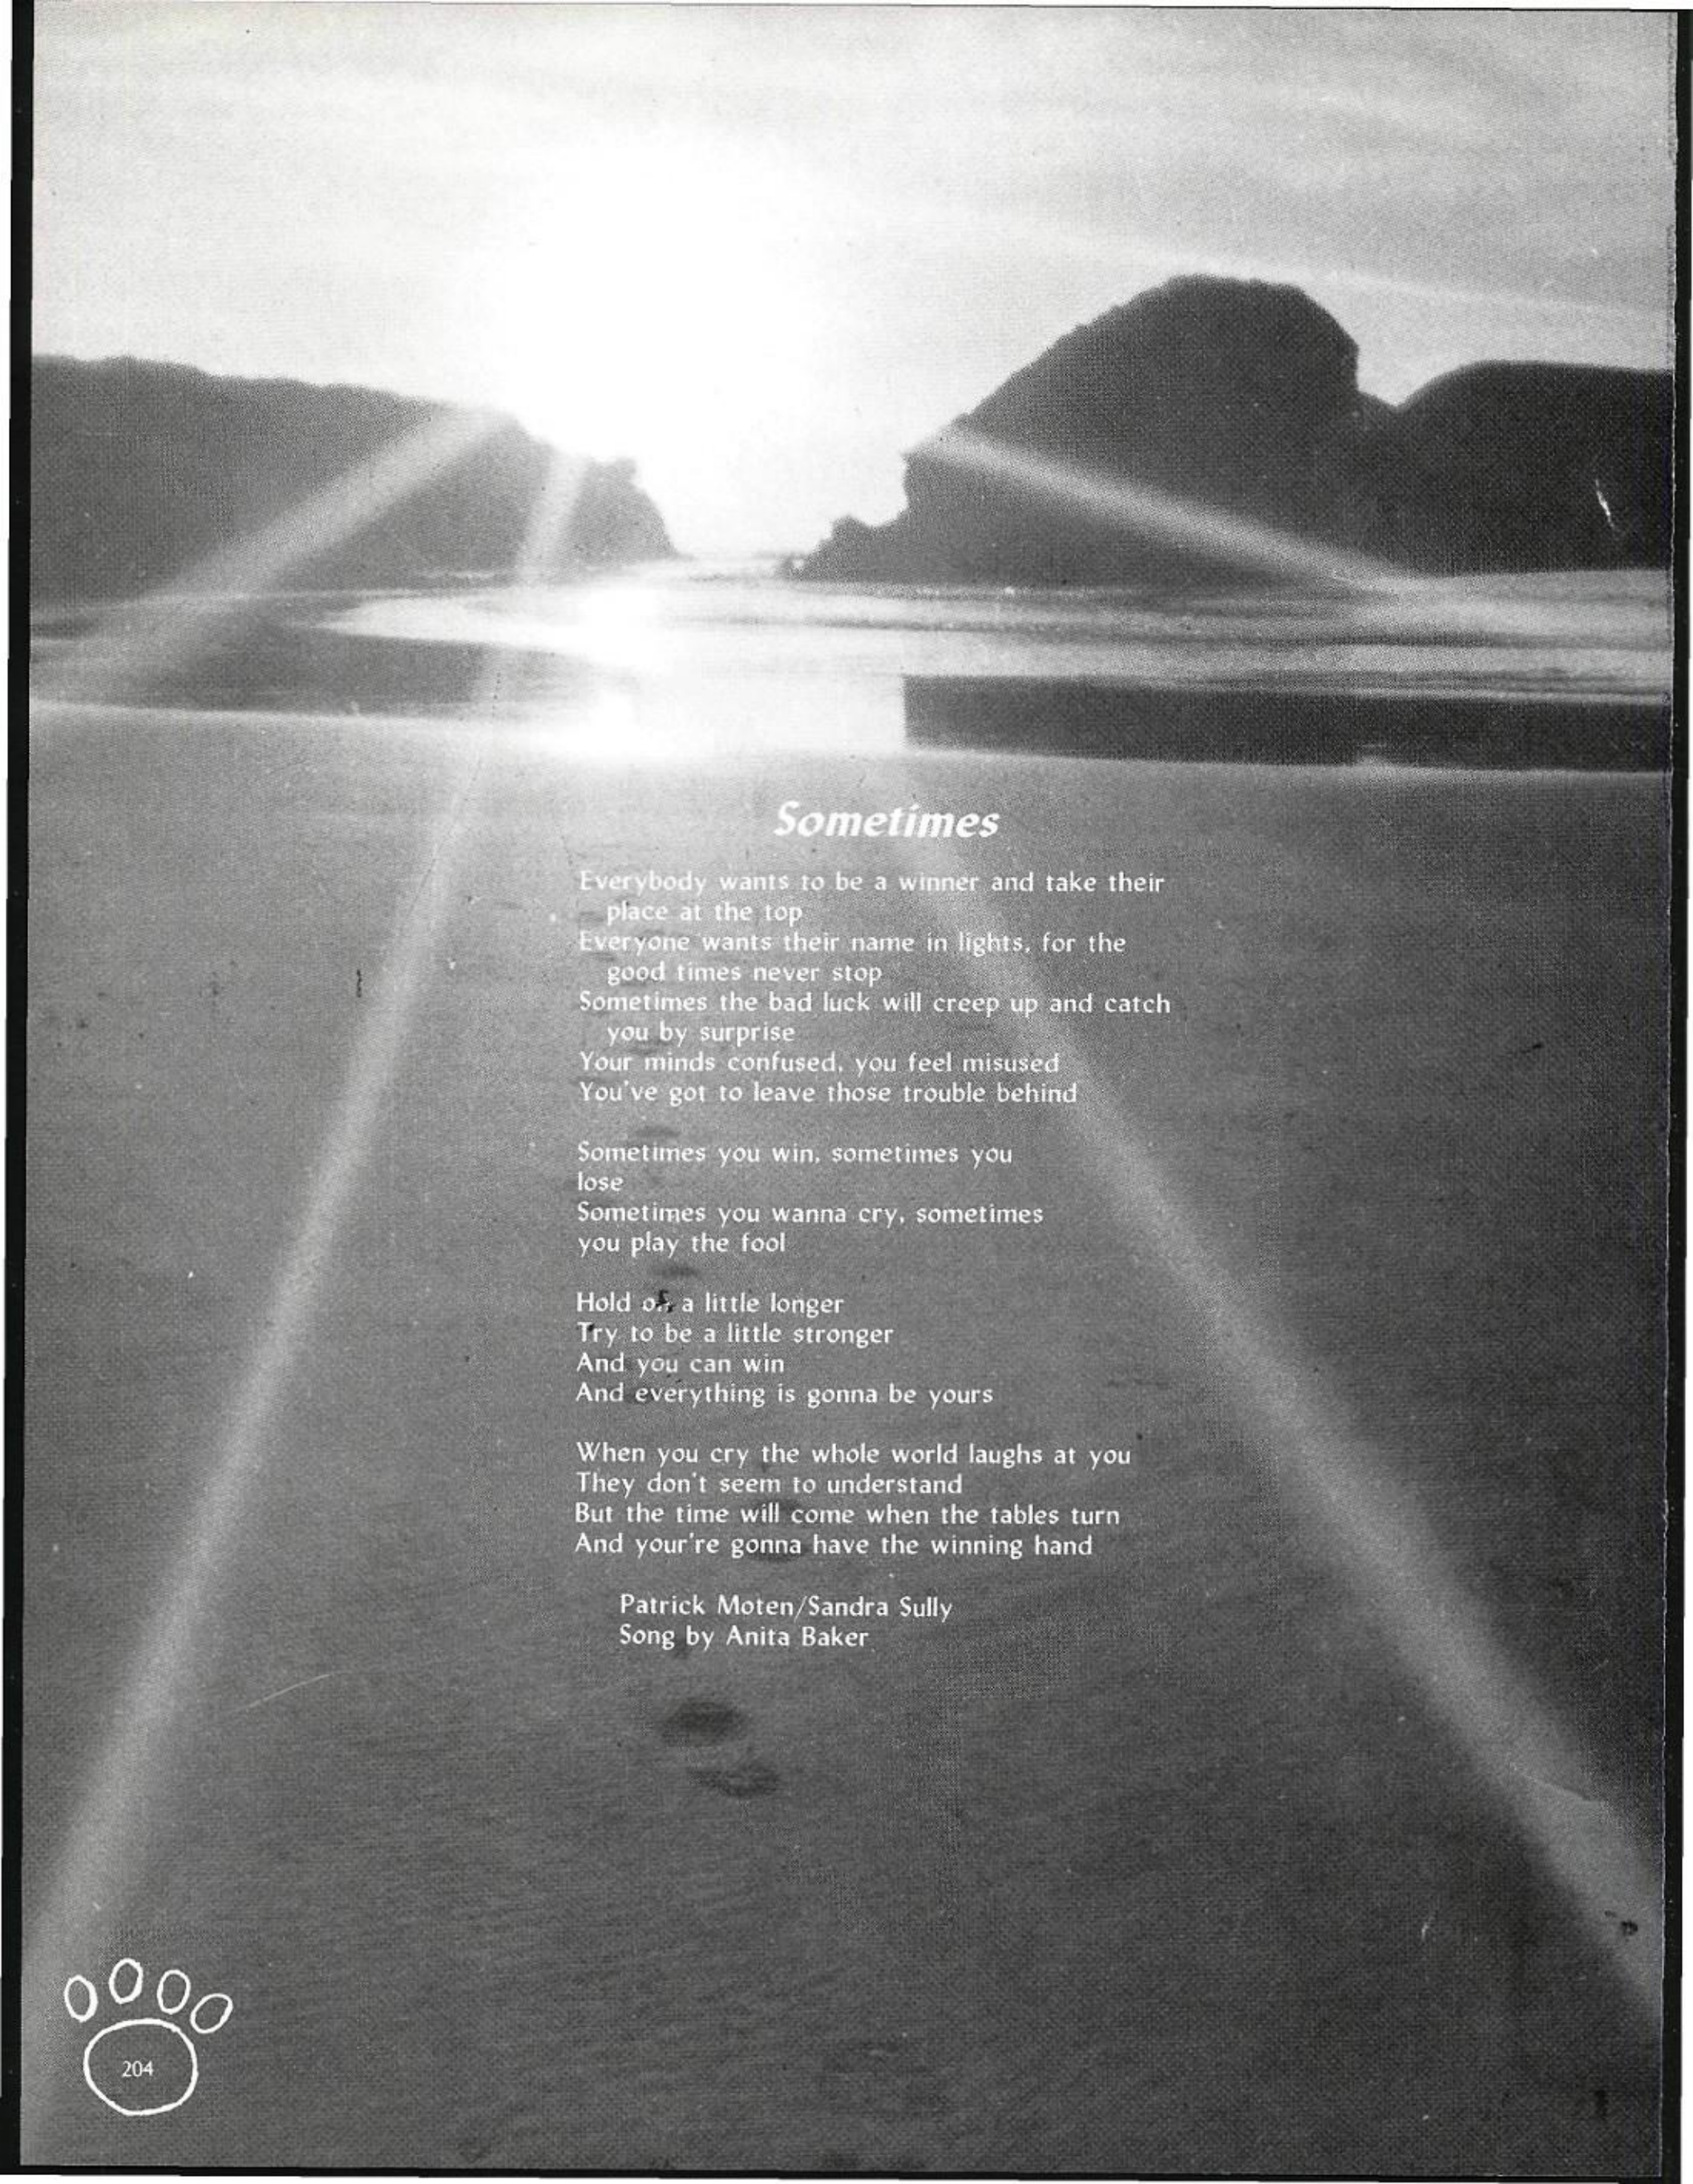
Where's Cherone?





huh?

Is it really over
This way, guys.
Honey, yes! Where's the door?
Don't lock me in!
Should we jump for it?
I wish they'd hang up so I can go!
Run for it!



Sometimes

Everybody wants to be a winner and take their
place at the top
Everyone wants their name in lights, for the
good times never stop
Sometimes the bad luck will creep up and catch
you by surprise
Your minds confused, you feel misused
You've got to leave those trouble behind

Sometimes you win, sometimes you
lose
Sometimes you wanna cry, sometimes
you play the fool

Hold on a little longer
Try to be a little stronger
And you can win
And everything is gonna be yours

When you cry the whole world laughs at you
They don't seem to understand
But the time will come when the tables turn
And your're gonna have the winning hand

Patrick Moten/Sandra Sully
